People At Work 186

Sunnyvale High School
Volume XV

People...

A daydreaming gaze ... a face of jubilation ...

Hamming it up ... the secluded closeness of friends ...

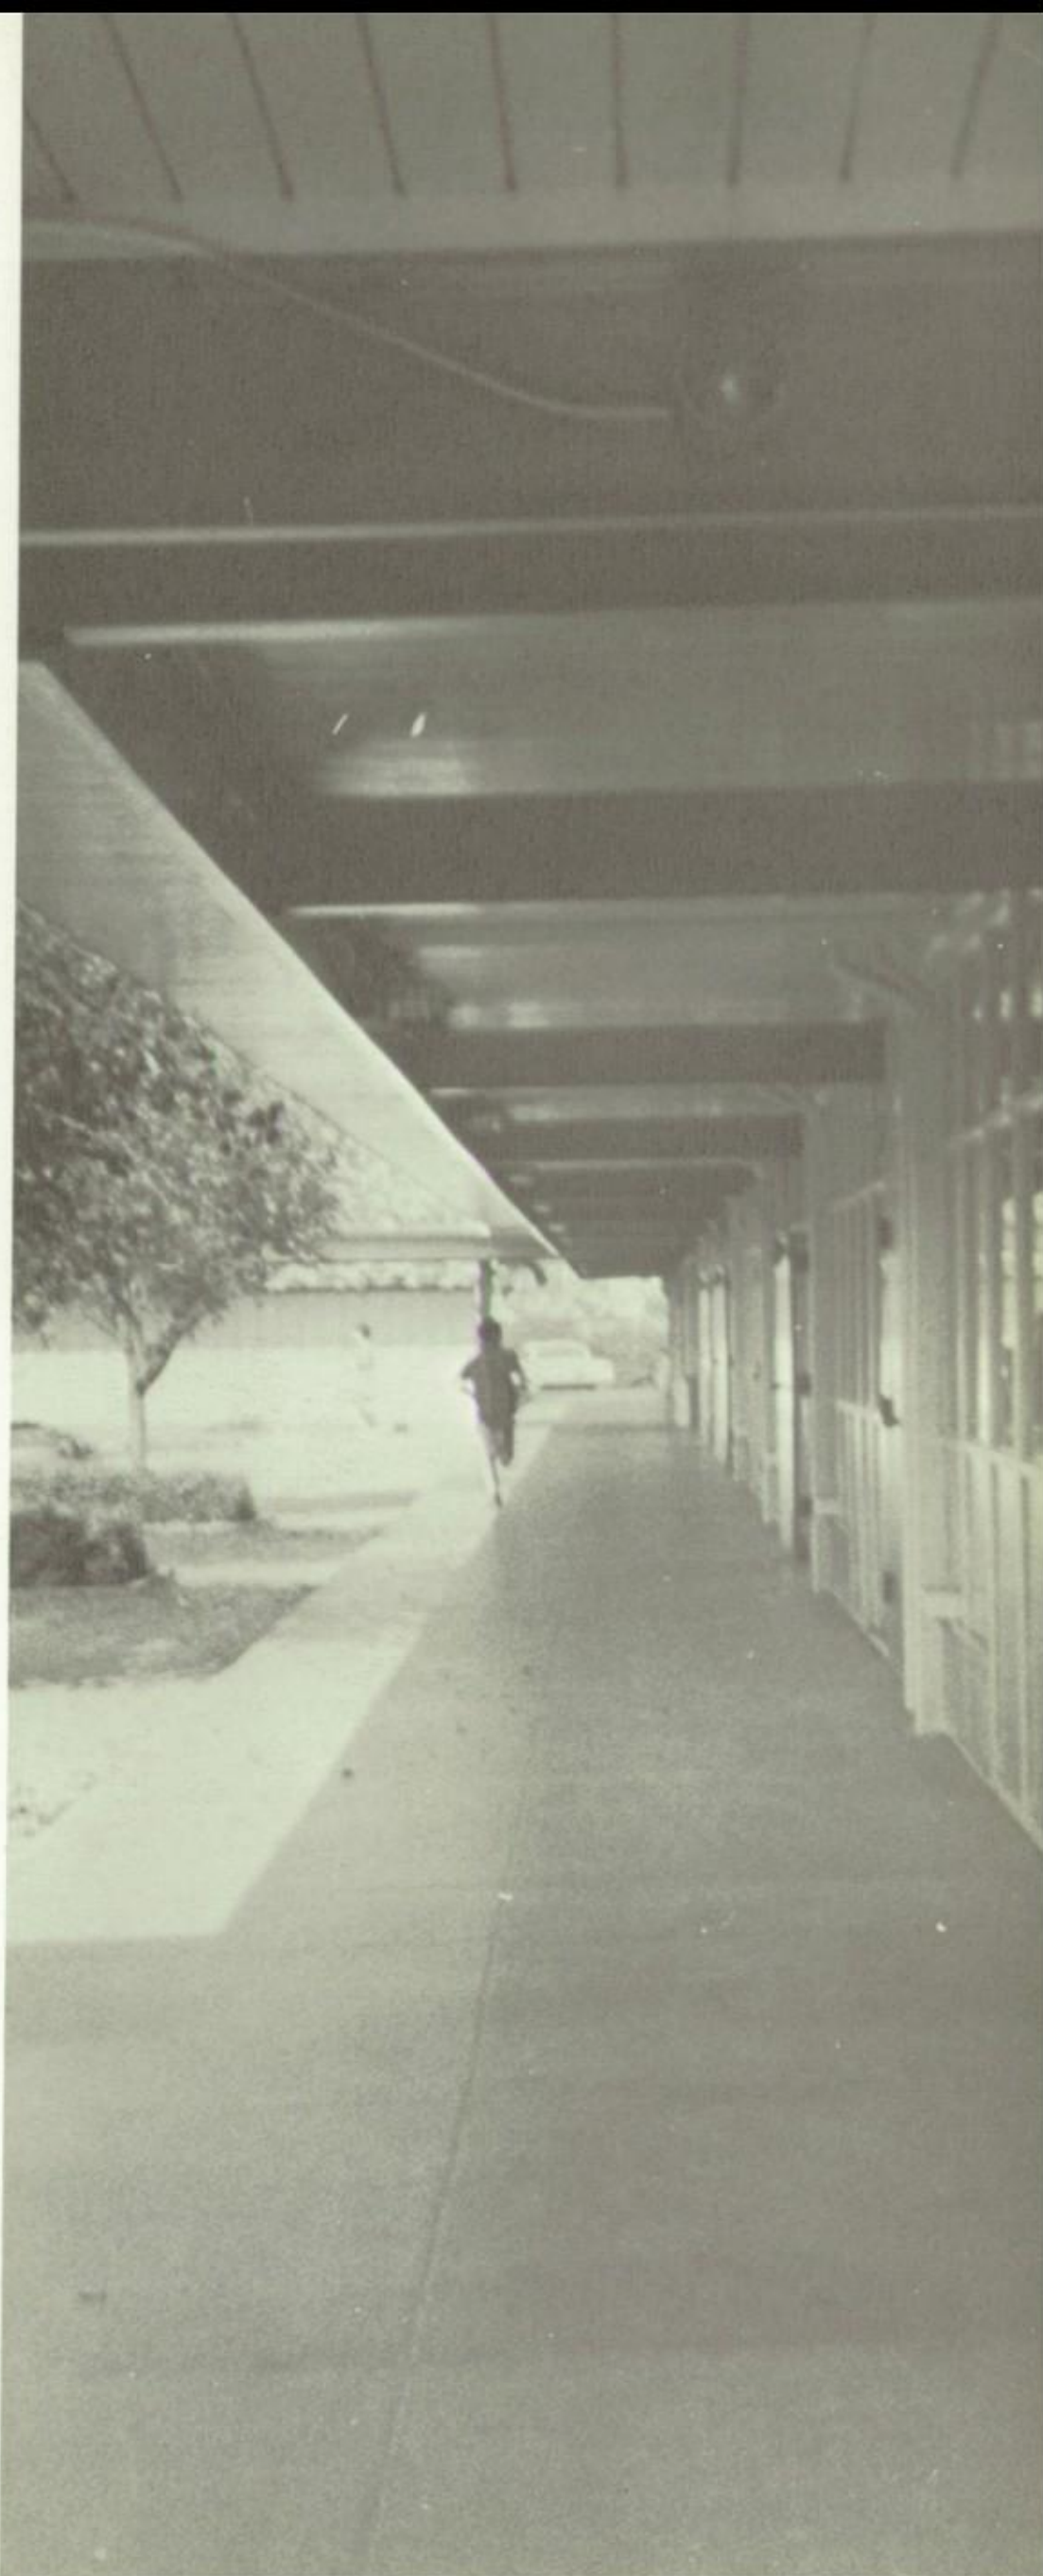

The isolated loneliness of being late ...

Sharing a precious moment with ones so close ...

Allowing for a time of solitary thought ...

People are life and all its greatness.

The security of working together . . .

Happiness in a group . . .

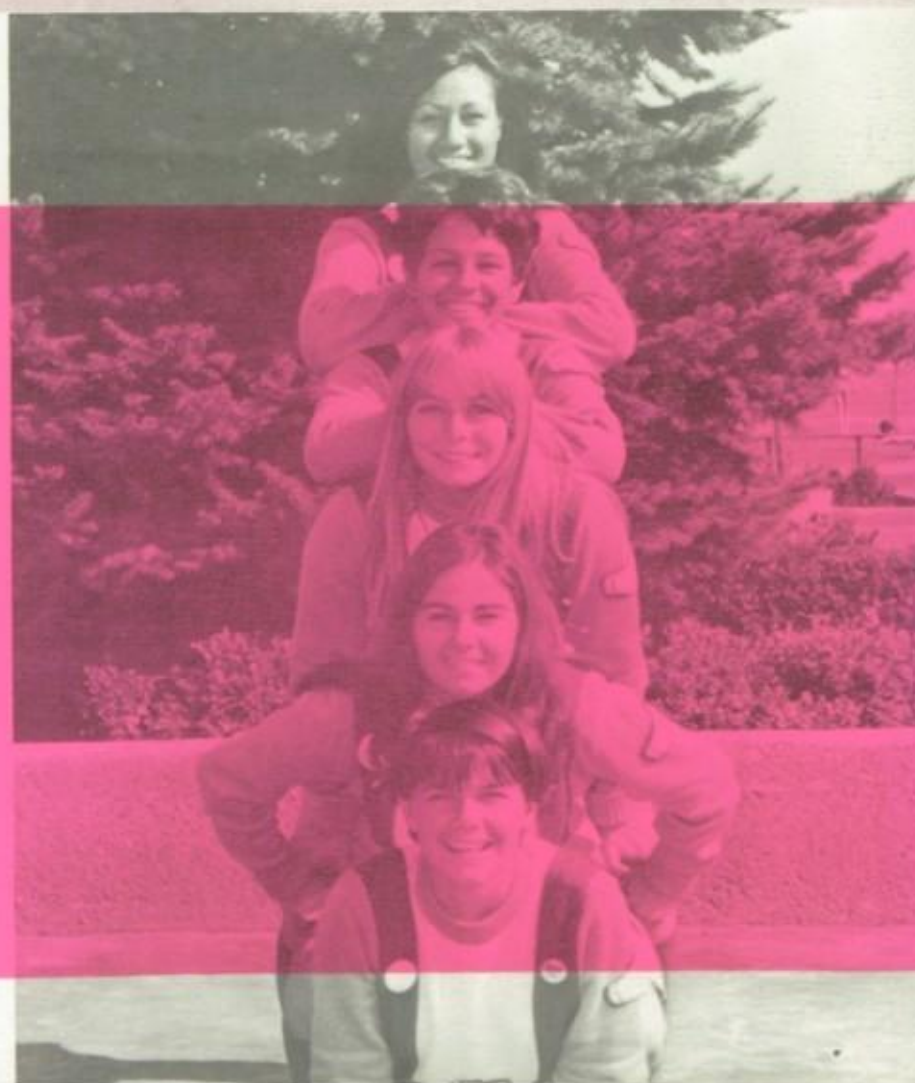

Doing your thing with those who share a common bond . . .

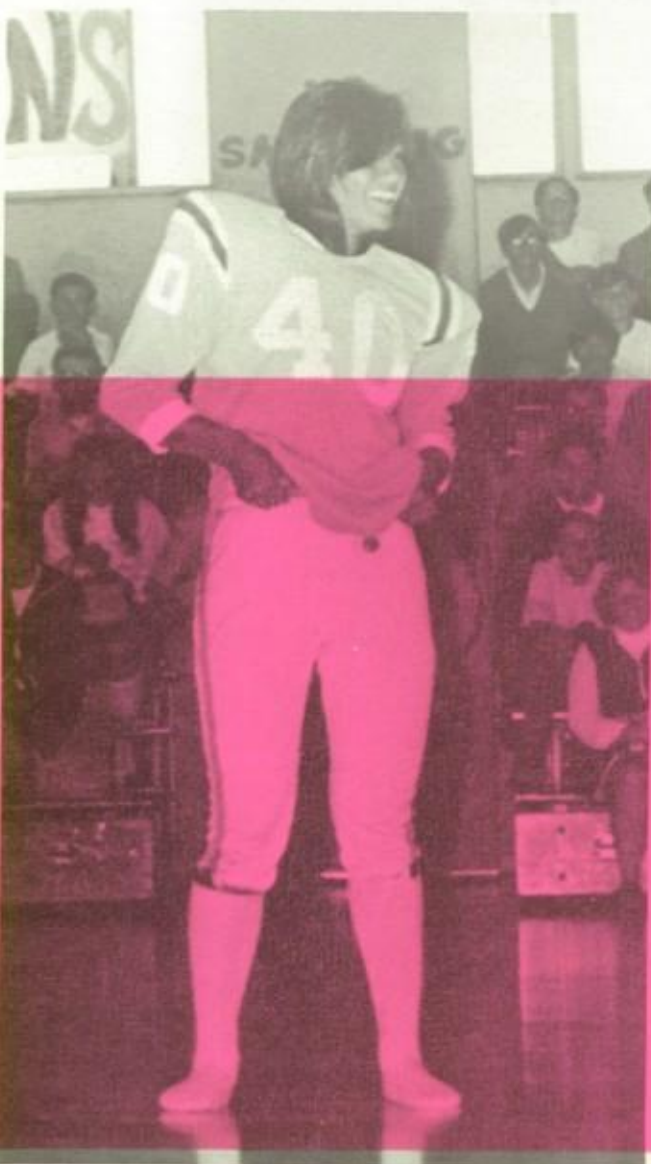

Urging others on with a shared enthusiasm . . .

Lonely embarrassment before the eyes of a watchful
audience . . .

And, finally . . .

The finished product and the accompanying self-satisfaction.

Working ...

To help others ...

To achieve academic excellence ...

To win a spirit competition ...

To satisfy one's own desire ...

These are

People in our people drama ...

People at play ...

And people at work.

Dedication...

"Close the door, and shut that window! I'm freezing!"

Students who work in the ASB Office hear Mrs. Housley's familiar cry as she greets another hectic work day with unpredictable teenagers who rarely appreciate her nine long years of loyalty to the student body.

Officially, Mrs. Inez Housley, account clerk, began her career at Sunnyvale High School in December of 1961. Her office and the center of ASB work was then located in what is now the counseling offices. A good friend, Mrs. Virginia Sanford, had also just started her job as health clerk a week before. At the end of every day during that first month, both vowed they would not come back the next day. The students were just too much during those first days.

Mrs. Housley is the person who is mainly responsible for seeing that all the bookkeeping for the ASB stays straight and all of the thousand-and-one other things get done—including the requests of Mr. Ed Bangle, dean of students.

She is the person a student can go to for a quick, direct, and definite answer without having to go through a lot of red tape. The Sabre Staff, on behalf of the student body, wishes Mrs. Housley to know that we certainly do appreciate all that she does for our school.

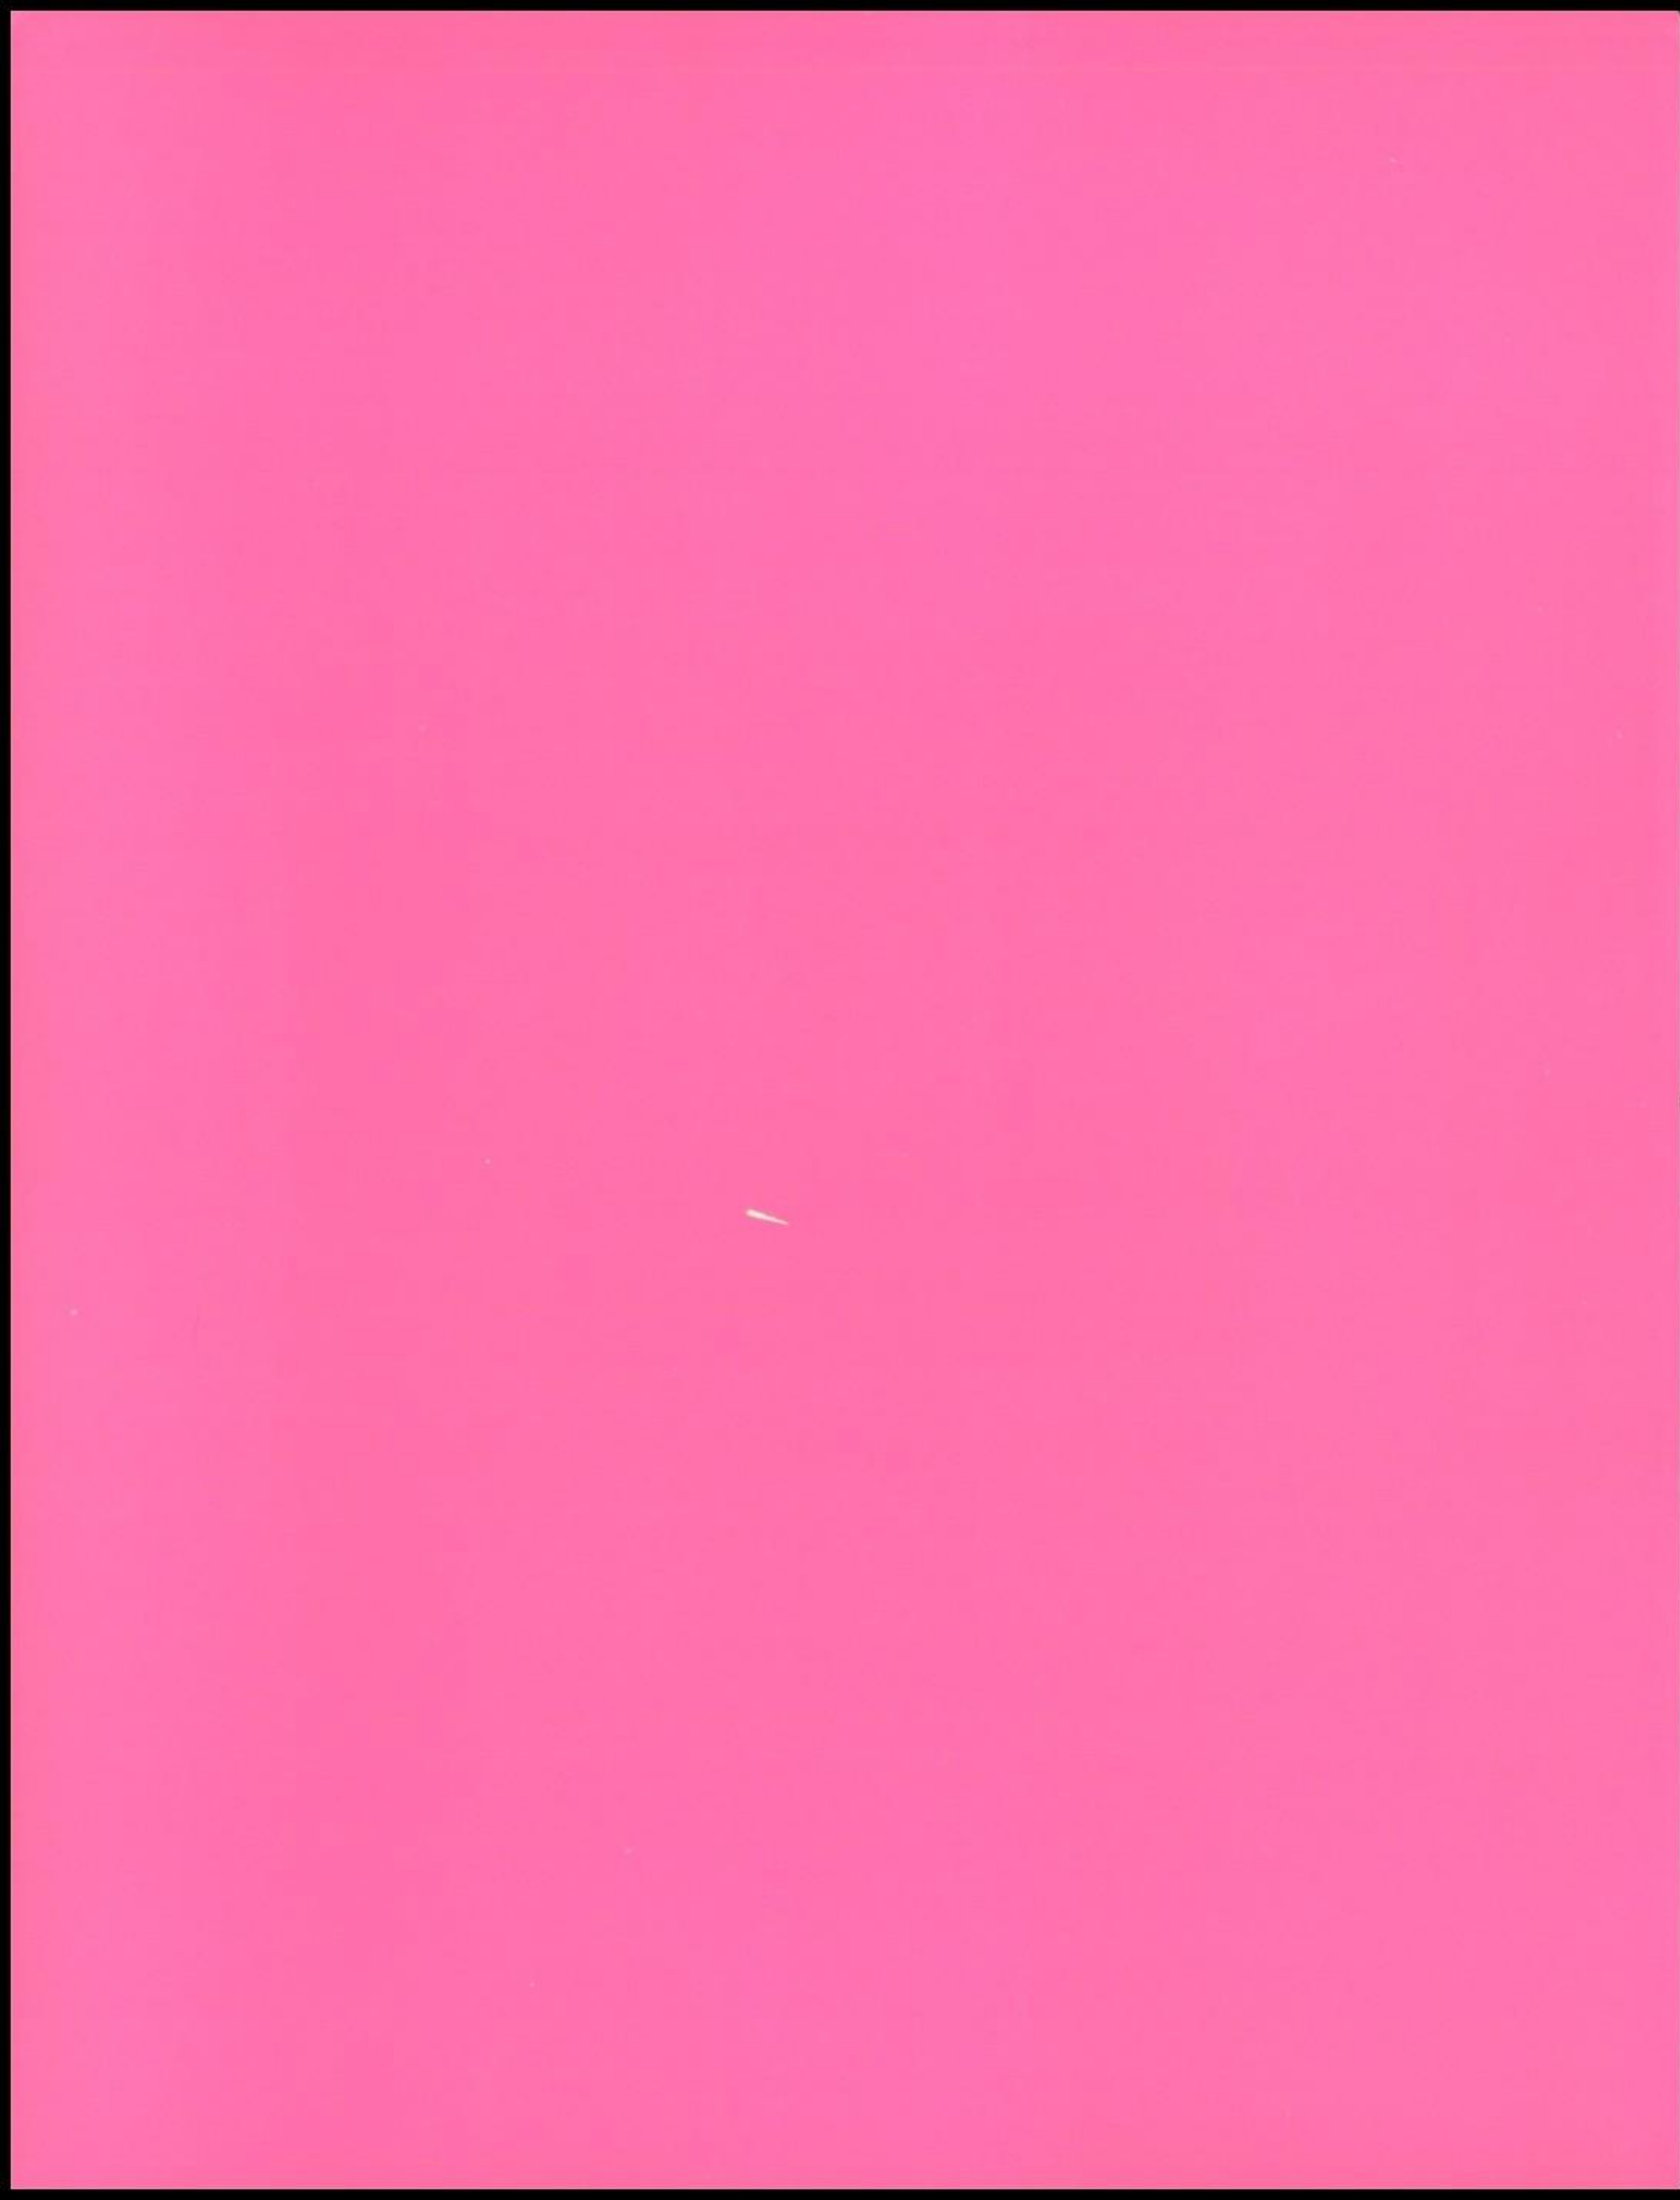

Originally from Texas, she still has traces of her Southern accent. Mrs. Housley is married and has one son. Her husband and son both work for Pacific Gas and Electric Company.

The Housley family is fond of boating at Clear Lake. They are also great collectors of antiques, having a house full of rare items. Mrs. Housley loves gardening but in recent years has not had the time.

Over the years at SHS she has had four bosses, all very happy with her efficiency in handling ASB work. She worked for Mr. Paul Sakamoto, Mr. Richard Henning, Mr. Robert Ferrera, and now Mr. Bangle.

Students in the future will do well to try to keep Mrs. Housley on the job because it seems that no one will ever be able to replace her.

The first part of the paper discusses the importance of maintaining accurate records of all transactions. It is essential for the company to have a clear and concise record of all financial activities, including sales, purchases, and expenses. This will allow the company to track its performance over time and identify areas for improvement.

The second part of the paper discusses the importance of maintaining accurate records of all assets. This includes both tangible and intangible assets, such as property, equipment, and intellectual property. The company should have a clear and concise record of all assets, including their location, condition, and value. This will allow the company to track its assets over time and identify areas for improvement.

The third part of the paper discusses the importance of maintaining accurate records of all liabilities. This includes both current and long-term liabilities, such as loans, accounts payable, and deferred taxes. The company should have a clear and concise record of all liabilities, including their terms, conditions, and amounts. This will allow the company to track its liabilities over time and identify areas for improvement.

The fourth part of the paper discusses the importance of maintaining accurate records of all equity. This includes both common and preferred equity, as well as retained earnings. The company should have a clear and concise record of all equity, including the names of the shareholders, the number of shares owned, and the amount of equity. This will allow the company to track its equity over time and identify areas for improvement.

The fifth part of the paper discusses the importance of maintaining accurate records of all income. This includes both operating and non-operating income, such as sales, interest, and dividends. The company should have a clear and concise record of all income, including the source of the income, the amount of income, and the date of receipt. This will allow the company to track its income over time and identify areas for improvement.

The sixth part of the paper discusses the importance of maintaining accurate records of all expenses. This includes both operating and non-operating expenses, such as salaries, rent, and utilities. The company should have a clear and concise record of all expenses, including the purpose of the expense, the amount of expense, and the date of payment. This will allow the company to track its expenses over time and identify areas for improvement.

The seventh part of the paper discusses the importance of maintaining accurate records of all taxes. This includes both income taxes and sales taxes. The company should have a clear and concise record of all taxes, including the type of tax, the amount of tax, and the date of payment. This will allow the company to track its taxes over time and identify areas for improvement.

The eighth part of the paper discusses the importance of maintaining accurate records of all other financial information. This includes information such as bank statements, credit card statements, and insurance policies. The company should have a clear and concise record of all other financial information, including the name of the institution, the amount of the transaction, and the date of the transaction. This will allow the company to track its other financial information over time and identify areas for improvement.

PEOPLE

AT PLAY

Twirp Twirl

"Hee Haw Honeymoon" was the Twirp Twirl theme within the week of November 24-26, when girls sported pigtails on the first day, the second day with pigtails and freckles, and the final day a combination of mix-match clothes, pigtails, and freckles.

Ben Moody was crowned "Mr. Irresistible" at the dance along with his two attendants, Dennis Swanson and Kevin Brenot.

Music was provided by "Sof Win". A light show was headed by John Sqsa. Refreshments were "moonshine" (apple cider) and "grits" (cookies).

Marriages and the fishing booth were a popular part of the festivities which led up to the final steps of the "Sexy Sadies" catching their special fellas.

Homecoming

"Blue Bayou"

BLUE BAYOU was the theme of the Homecoming Dance sponsored by Key Club and Astras. Highlight of the evening was the crowning of the Homecoming Queen Jeanne Lahodny and princesses Stephanie Gallardo, Sharon Faeta, Lana Frye and Debbie Scott.

The atmosphere of the dance floor was enhanced by the excitement of the couples dancing to the music provided by "COFFEE".

The big game was played against the Awalt Spartans. The half-time show featured the Band, Sabrettes, Color Guard, Majorette, and a parade of floats headed by the royal court. Floats featured were from the clubs BSU and FAC and from each class. The Junior Class of 1971 took first place.

Leo Club is the newest service group on campus with a purpose of promoting leadership, experience, and opportunity to all involved in their activities. The club is open to everyone, male or female, between the ages of fifteen and twenty.

One of their accomplishments of the year was the distribution of Halloween candy to the children in the County Hospital who were unable to go trick-or-treating.

California Scholarship Federation is both a service and honor club. Main service project of the year was the selling of UNICEF Christmas cards. During Fall an Honor Night Banquet was held, at which S.H.S. foreign exchange students were featured. In the spring another honor night was held for the second semester members. A candy sale was also held at this time.

Finally, at the end of the year, the faculty had a Faculty Tea for all CSF members. At this time all lifetime members were formally introduced to the faculty and parents. The annual trip to San Francisco was great fun, as it is every year.

To join CSF, a total of ten academic points is needed. An "A" is worth three points and a "B", one. "D" or "F" grades automatically disqualify anyone from joining.

National Honor Society is composed of sophomores, juniors and seniors. Eligibility is based on character, scholarship, leadership and service. Purpose of the club is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and develop character.

Chicano Student Union

Formed during the spring of 1969, the Chicano Student Union has been active, participating in the minority seminars at San Jose State College, sponsoring a dance to increase its treasury, and giving a scholarship to a deserving Chicano student at the end of the school year.

The main purpose of C.S.U. is to express the Chicano identity to American society by printing a newsletter to inform the public of projects, seminars, and involvement in more school activities and sports.

Advisers are Mr. Mike Honda, science teacher, and Mrs. Loretta Gutierrez, Spanish teacher.

Black Student Union

In 1968 the first Black Student Union Club was established. The club started the second year with the advice of Mr. James Jenkins, a new black teacher, and Mr. James Cruze, dean of human relations.

Many accomplishments were executed by the determined B.S.U. members such as increasing their treasury, participating in sports and school politics, and entering the first B.S.U. float in the Homecoming Parade.

Main goals are to (1) to give whites a better understanding of black problems, (2) to give blacks a place to discuss their ideas, and (3) to help spread unity among black students.

SABRETTES

With the coordination, dancing ability, hours of hard work towards perfection, and the determined influence of Mrs. Jean Pond, the SHS dance and drill team, Sabrettes, won three first place trophies at the University of Santa Clara Homecoming, the Cupertino Pioneer Day Parade, and a tie in the Veteran's Day Parade. In other competition the girls took two second place trophies in the Sunnyvale Christmas Parade and the Parade of Champions in Santa Clara.

During the summer of 1969 six members went to dance camps. At Olmstead's Dance Camp in San Francisco were Geri Dowdy, Eileen Long, Debbie Partain, and Jeanne Borne. They brought home a second place trophy for small teams. Angela Colvin and Joyce Bondurant won a second place trophy from Hibbard's Dance Camp in Los Angeles.

As a performing group the Sabrettes exhibited their talent and entertained at the San Francisco 49er home game against the Atlanta Falcons. The drill team performed with the Sunnyvale Marching Band at San Jose State, Hayward, and in all football halftimes of Jet games.

Captains Geri Dowdy and Eileen Long displayed excellent leadership in aiding and maintaining discipline among girls. Debbie Partain held the honored title of Miss Congeniality and was awarded a trophy at the Fall Sports Banquet.

Mrs. Jean Pond has been a dedicated Sabrette advisor for four years. Without her advice and direct influence, the Sabrettes would never have become the number one drill team in South Bay. The annual Dance Concert, staged by Sabrette dancers and other students, proved to be the best and most successful under the guidance of Mrs. Pond, a fitting tribute to her last year at SHS.

Sabrettes Dance And Drill Team

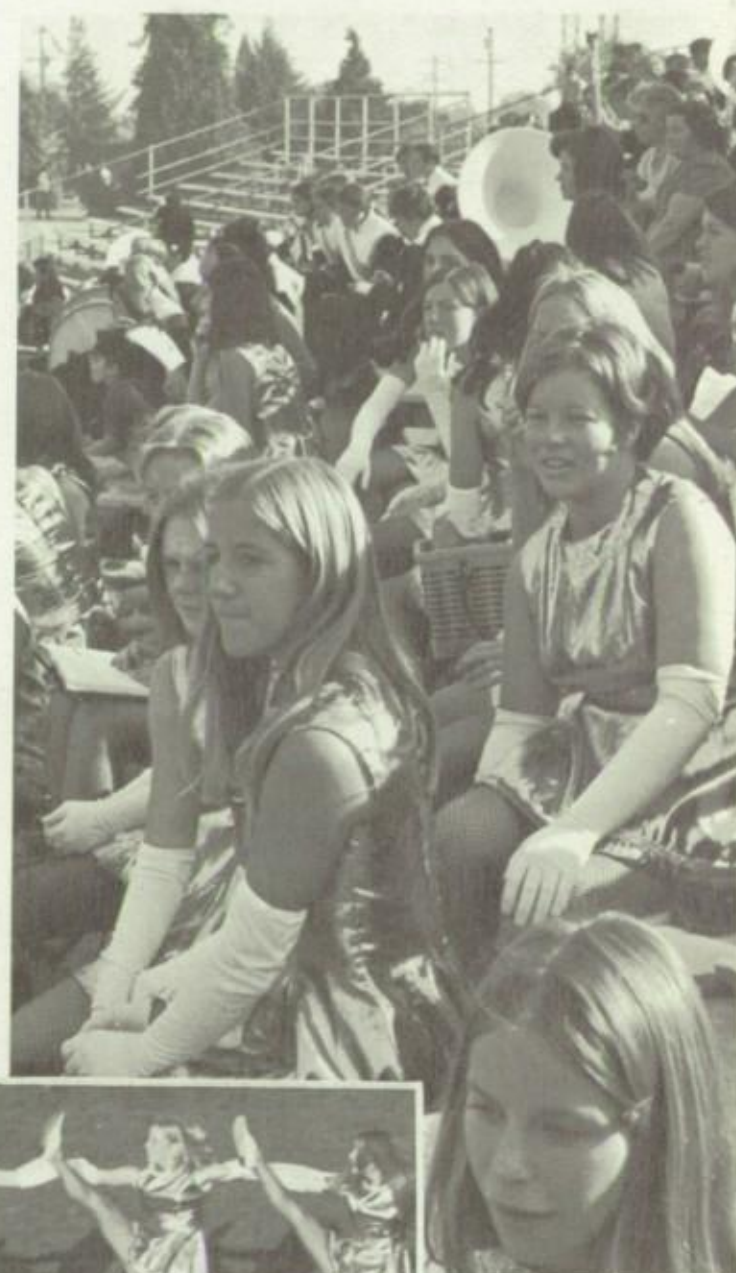

Geri Dowdy, Mrs. Jean Pond (adviser), and Eileen Long proudly display the largest number of trophies won in a year of competition by Sabrettes.

After a pair of impressive opening seasons wins, the Jets couldn't break the shackles of a five-game losing streak and had to settle for a 3-6 record. Thus the theme of triumph and disappointment was set for this past football season for the Sunnyvale Jets.

Player performance, however, was by no means at fault. Individually, Sunnyvale possessed some of the finest players in the SCVAL. Halfback John Maselli, 2nd team All-League, was the mainstay of the offense, leading the SCVAL in rushing attempts with 174 carries during the year, including 29, a league record, against Peterson. Despite his comparatively small size, John mixed speed and durability to place second in the league in rushing with 745 total yards, including an 85-yard run from scrimmage against Los Altos.

Halfback Benny Brown, easily the fastest back on the Central Coast, displayed his uniqueness as a dangerous double-threat, placing third in the league in pass receptions while gaining over 350 yards on the ground. Directing the offensive attack was first-year quarterback Paul Fong. In his first starting role at the position, Paul led the Jets to an upset win over Los Altos, a feat which no other Jet quarterback had accomplished since 1964. Through the air Paul was the league's second leading passer and finished second in total offense with over 1100 yards gained both rushing and passing.

Defensively, Sunnyvale possessed one of the toughest front walls in the circuit. Anchoring the line was All-League 1st team defensive end Glenn Fortin. Only two men in the SCVAL made more tackles than Glenn in 1969, and his 12-tackle performance against Cupertino on Thanksgiving Day was the best effort by a Jet this year. Equally noteworthy, however, was the single game performance by junior linebacker Charlie Trujillo. Filling a big gap in the Jets' defense all year, Charlie amazed everyone against Los Altos when he made 11 tackles and 9 assists, all in his first varsity game.

In the middle of the line were veterans Roger Uati and Dennis Swanson, both All-League 2nd team selections. Roger's size proved to be very unpopular with opposing quarterbacks: 6'4" and 296 lbs., while Dennis earned the reputation as Sunnyvale's steadiest player, going "both ways" during the entire nine-game schedule.

The 1969 season showed promise for the future, and Head Coach Jack Carroll has much to look forward to. In addition to Glenn Fortin, he will welcome the return of four All-League Honorable Mention selections: Paul Fong, Benny Brown, Charlie Trujillo, and Dave Seaton. The Seventies will also mark the first time for an east-west alignment in the SCVAL, and as it now stands, the Jets should finish on top in the Western Division.

The Game . . .

The Jets plunged into the 1969 SCVAL season against the number-one ranked team on the Central Coast, the Los Altos Knights. Unbeaten for two years in a row, Los Altos was heavily favored to repeat as champions. The Knights had an experienced quarterback, an explosive offense, and a gruesome defense, three assets for any football team.

Their conquest was to begin on Friday afternoon, the 26th of September, against a team with an inexperienced quarterback and untested offensive and defensive units . . . the Sunnyvale Jets.

But the educated fan knows that football games are to be won on the field, not "on paper", and the performance by the Blue and White that Friday afternoon was to become their finest effort in many seasons.

The opening kickoff placed Sunnyvale in the hole at their own ten-yard line, but John Maselli foreshadowed the game's outcome on the very first play from scrimmage when he broke into the open and raced 85 yards to the LA five-yard line.

Going to the opposite extreme, the Jets then watched their hopes of an early lead crushed as they fumbled the ball away two plays later. Los Altos, however, could go nowhere against the Jet front wall and was forced to punt.

Sunnyvale came right back on a 32-yard Paul Fong to Jim Sipes bomb to put the Jets inside the Knight five-yard line for the second time within three minutes. But again an agonizing fumble turned a sure touchdown into a spoiled score. The first quarter ended with Los Altos counting its blessings with the scoreboard reading 0-0.

The Knights, however, were having problems of their own against the fired up Jet defense and found it difficult to penetrate beyond the 50-yard line. Time and again, Knight quarterback Gene Deylon was dumped for key losses, victim of a relentless onslaught led by the "untested" Charlie Trujillo, Glenn Fortin, and Mike Elder.

The entire first half was "no contest", but the Jets just couldn't hit paydirt. At halftime the scoreboard still read 0-0.

Coming on even more fiercely was the third quarter. The hitting got harder, and the defense became — even more so — the dominant factor on both sides of the line. It appeared that the team getting the first big break might have enough to win, and when Los Altos scored, the 8-0 count loomed larger and larger as time wore on.

But suddenly the Jet offense regained its first half form. As the fourth quarter began, Sunnyvale was gaining momentum. Paul Fong began to pick apart the Knight secondary with pinpoint passes, and he relied on Maselli for the "tough yardage."

The Jets drove deep into LA territory. Only nine minutes remained on the scoreboard clock as Paul faded to pass on the 20-yard line. Benny Brown, Fong's primary receiver all day, slipped behind two Knight defenders and made a spectacular over-the-shoulder catch on his fingertips, tumbling into the endzone with Sunnyvale's first touchdown.

With just the incentive it needed, the upstart Jet defense, led by veterans Bruce Melloway and Dennis Swanson, got tougher and tougher. Deylon was dropped for the tenth time in the game, and with less than six minutes to play Los Altos was forced to punt.

Taking possession nearly 70 yards from a score, the Jets began another march into Knight territory. Driving to the LA 34, the Jets were faced with time as a factor, and Fong rolled out to pass. Finding his receivers blanketed, Paul scrambled through the secondary, cut back behind a crunching Jim Sipes block, and rode the sidelines into the endzone untouched. Only 3:56 remained, but the Jets owned the lead 12-8.

The ensuing kickoff rooted Los Altos with the dilemma of battling the clock and an unmerciful Sunnyvale defense. Deylon in desperate futility tried to rally his offense but was buried in the process by a wave of Jet

Jets 12 Los Altos 8

tacklers.

It was only a few moments later when Coach Jack Carroll was mobbed by jubilant players and hysterical fans as the SHS rooting section poured onto the field. Carroll lauded his team's effort as "the hardest-hitting defensive game in school history."

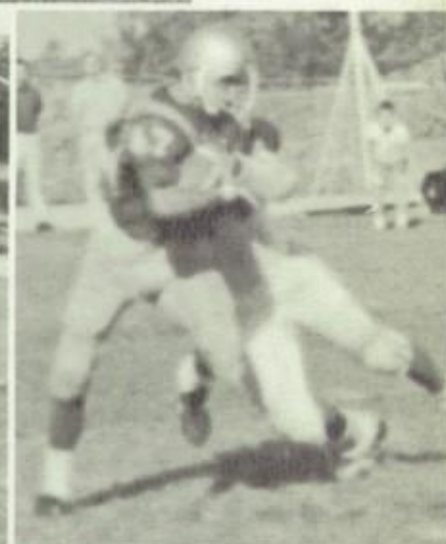

The "untested" Jet offense rolled up nearly 400 yards against the pride of Los Altos, their "big, tough defense". Running back John Maselli ate up 143 yards on the ground, more than any other running back on the Central Coast during the same week.

Defensively the Jets allowed only 15 total yards through the air as the Knight's highly-touted quarterback managed only four completions all day. He was thrown for over 75 yards in losses.

Meanwhile, the "inexperienced" Paul Fong in his first varsity game at quarterback completed 10 of 18 passes for 192 yards and one touchdown, in addition to scoring the winning six-pointer himself. For his performance Paul was named Mid-Peninsula Athlete of the Week.

Sunnyvale had barely outscored Los Altos in a game which should have been a rout, but, nevertheless, the Jets savored a convincing victory over a team which hadn't been beaten in three years.

Don Kelley (top, left) sweeps the right end behind a wave of blockers. At top, the emotional strain of the game is shown on the players' faces. Ecstatic fans mob the Jets as the final gun sounds. Quarterback Deylon's long afternoon: Glenn Fortin and Charlie Trujillo bury him for key losses. Rolling out behind fine protection, as he did all day, is "Mid-Peninsula Athlete of the Week", Paul Fong.

... The

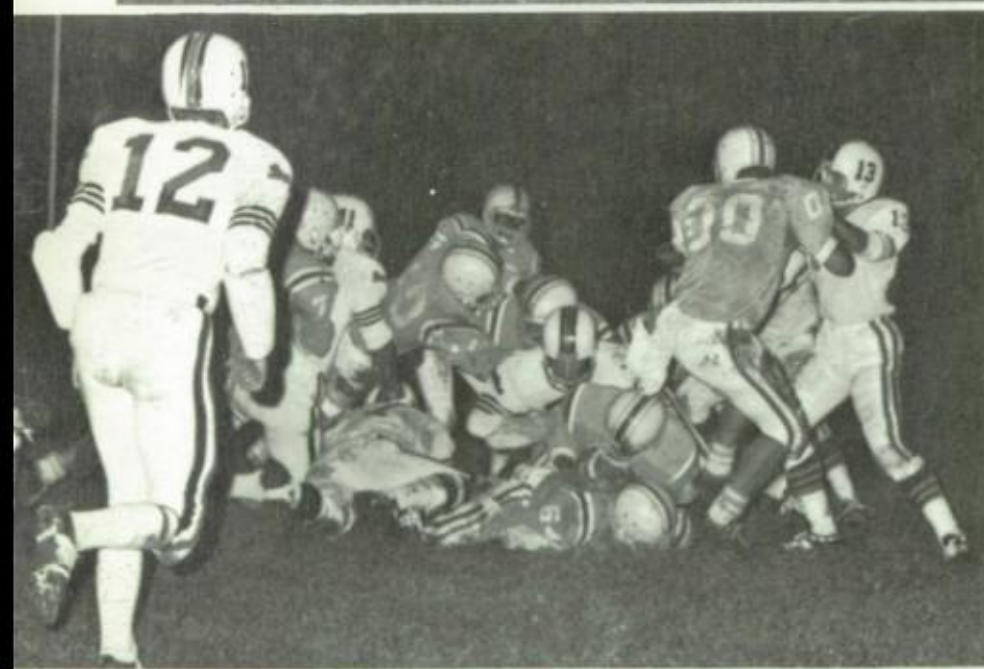

Sunnyvale's initial big football year in the SCVAL was 1961. Powering to a 7-1-1 record, the Jets received individual recognition for the first time. Defensive back Eric Paulson was selected All-League as well as all-Central Coast. Teammate John Winters earned the same honors in addition to being named to the All-Northern California First Team.

The following year was more of the same. A 6-3 record brought Sunnyvale second place once again. Individually, it was a clean sweep of league honors. Jet quarterback Tom Lundy was SCVAL Back of the Year and selected All-League, All-Central Coast, and All-Northern California First Team. Split end Van Peterson displayed unequaled ability on the receiving end of Lundy's passes. In addition to earning the same honors as Tom, Van was named SCVAL Lineman of the year.

1963 was the year of fleet-footed running back John "The Jet" Figueroa. The fastest man ever to put on a Sunnyvale uniform, John's heroics were personally responsible for the Jets' first-ever victory over arch-rival Fremont, 21-19. The school's first genuine speed burner, John was joined by teammate Frank Pak in the All-League backfield.

1965 marked Sunnyvale's most successful

Sixties

year on the gridiron. An overpowering unit, the Jets soared to an 8-1 record, yet it was good for only second place in the SCVAL. Our only loss came in the rain and mud against league champion Los Altos, 19-18. Once again it was a Sunnyvale sweep of individual honors. Record-shattering fullback Neil Powers was named SCVAL Back of the Year and selected to the Central Coast and All-Northern California squads. The Jets' excellent depth was represented in similar form: split end Ron Peterson, All-League and All-Central Coast; the entire backfield, quarterback Tom McConnell and running backs Francis Pak and Mike Utt, All-League.

The three-year span between 1966 and 1968 is still fresh in our minds. Each year marked an outstanding performance by a running back. In '66 it was Mike Utt; in '67 it was Ron Salas, and in '68 it was Paul Reynoso. This trio was also named All-League, each of them for two years in a row.

The sixties were exciting football years for the Blue and White. There were the glorifying victories, and the disappointing defeats. But most of all, there was the excitement, action, and speed unmistakably generated by the Sunnyvale Jets.

Right, Top to Bottom: Dennis Swanson kicks off the season in the Football Jamboree at Spartan Stadium; John Maselli slams the ball into the end zone after a 40-yard scoring run against Homestead; the tough Jet defense watches the action from the sidelines; Benny Brown "turns the corner."

He also held the distinction of scoring the only touchdown, with less than two minutes remaining, in the Jets 6-0 victory over Fremont. Below, Leonard Perry (32) plunges for a score in the J.V.'s 8-6 win over Buchser. Perry led the Jet offense by running for 860 yards from scrimmage, including a single game total of 174 against Homestead. Along with linebacker Roland Saenz, Leonard was named "All-League."

In the only Frosh action under the lights during the year, All-League Quarterback Albie Gomes is stopped after a nine-yard gain.

Keeping with tradition, the 1969 frosh football team displayed a devastating running game with great speed, comparable to other Jet squads in recent years. Tony Kearns bore the brunt of the ground attack from his fullback position so well that he was selected All-League, as were his backfield mates Albie Gomes and Gerry Munson. Gerry's speed earned him over 600 yards from scrimmage, many of those yards coming on long breakaway runs. Albie was noted for his passing ability, able to throw the ball fifty yards in the air. The frosh really put it all together in their last two games, rolling up 64 points.

The 1969 season marked another year of domination of Dee basketball competition in the SCVAL by the Sunnyvale Jets. Coach Len Piumarta's talented squad shattered 13 school records while blazing to an undefeated 14-0 season mark.

The team's ability to score big was evident, as they broke the school record for offensive average, pouring in 50.5 points per game. On the same token, the Dees exhibited a tenacious defense, breaking the team record for best defensive average, allowing opponents a mere 20.1 points per game.

SCVAL Most Valuable Player Ron Lee displayed unique versatility, dominating both boards and "hitting the open man" as the need arose. In addition to being the team's defensive mainstay, Ron broke two school records, most rebounds in one season, 129 and most assists in one season, 27. Second-year guard Gipp Tremper also was selected to the All-League First Team. Gipp's all-around hustle spearheaded the two big weapons, the fast break and the press. He averaged nearly 10 points per game.

Depth, too, was a factor in this year's success. It was not uncommon for Dave Hernandez, All-League Second Team, to reel off

8 or 10 quick points in a row, providing the Jets with a streak shooter of deadly precision. Also receiving All-League honors were forward Allen Cardiel and center Ricky Garcia. Allen paced the team in scoring, placing 5th in the league in total points, while breaking the school record for highest free throw percentage, 77%.

The high point of the season had to be the final game of the year against Awalt. With a roaring crowd of over 400 in attendance, and the All-League starting five sitting on the bench for the entire second half, Coach Piumarta substituted freely as the Dees bombed the Spartans to wrap up the championship, 62-17.

Disappointment was the tune of the Cees' basketball efforts this past year. Coming off a season opening heartbreaker, the Jets rebounded to reel off eleven straight convincing victories to finish with a 13-1 record, proving beyond a doubt that they were the class of the league. Yet their masterful record went unrewarded as Coach Eric Paulson's Jets had to settle for second place in the SCVAL. The Cees' fate was actually decided in the league opener against arch-rival Fremont. Going into the game with all the optimism in the world, Sunnyvale found that it is not always the opponent that beats you; it is just as easy to beat yourself. However, Coach Paulson's squad displayed the depth and spirit of a championship team, averaging 56 points per game, equally distributed throughout its strong lineup.

Streaking Larry Fong led the offensive attack, scoring in double figures all season long. A deadly outside threat, Larry was selected to the All-League first team. Up front, the Cees owned a pair of All-League forwards, Rich Hewitt and Mike Spettel. Both Rich and Mike possessed great corner jump shots and lacked nothing in the rebound department. In the backcourt the team's depth was evident, as both Tom Reis and Mike Shaw provided valuable leadership as well as blazing speed. John Gooch, also capable of scoring big, added many strong performances, just as a good "sixth man" should.

But the Cees' framework really was built around its Most Valuable Player, first year center Don Green. Possessing great potential, Don was named to the All-League second team, a great feat for any first year man, especially a center. Don's ability helped him to break the school record for most rebounds in one game, as he pulled down 26 against Homestead, a contest in which he also poured 21 points through the hoop. Don also displayed a great competitive spirit, representative of the entire team's attitude.

Combining an oppressive fast break, precision outside shooting, and a full court diamond zone press, Sunnyvale's Varsity Jets finished the 1970 season with their best record in six years.

Picked by local newspapers to finish no higher than sixth place, Sunnyvale reeled off seven straight wins en route to a 9-2 SCVAL showing, second only to Central Coast Champion Buchser.

The potent offense was sparked by All-League guard Dave Blasquez. Dave led the team to a new school record in league offensive average (63.7), scoring 19.3 points per game himself. While breaking the Jets record for most assists in one season, Dave was also winner of 3 Varsity awards: Most Valuable Player, team Captain, and Highest Free Throw Percentage. Blasquez became the first player in school history to win All-Tourney honors at three tournaments. In the Shaughnessy Playoffs only one man scored more points than Dave; the CCS's MVP Randy Johnson. For his superb play all year long Dave was named to the All-Central Coast team.

Pairing with Dave in the backcourt was two year veteran Ken Caviezel. One of the league's most underrated players, Ken averaged a solid 11 points per game to give the Jets the best one-two punch in the league. Terry Royal and Rod Merrill copped co-honors for Most Improved Player while consistent Keith Mathews was awarded the team's Most Inspirational Player trophy. Also noteworthy was the play of third year center Tim Chapman. Tim led the team in rebounds again, and led the Jets to their first win over Fremont in five years.

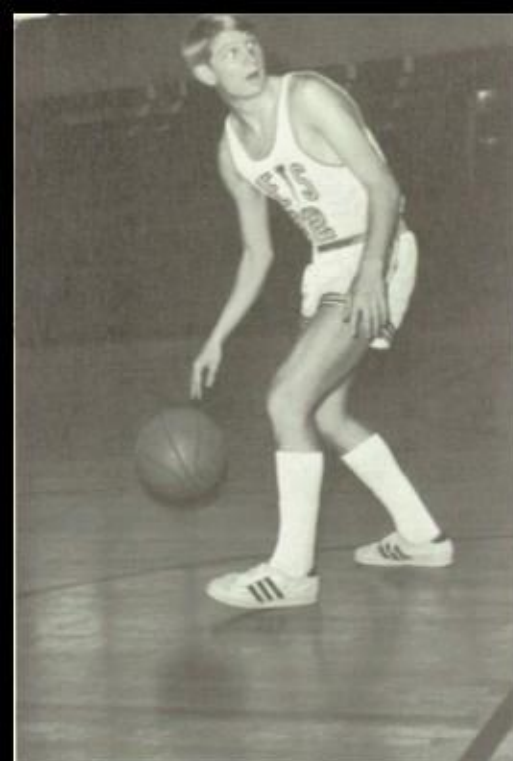

The Jets really began rolligng during their own holiday tourney, winning 3 of 4 contests. Two of the wins were over Leigh (4th rated in CCS) and Del Mar (7th rated in CCS). The 77-46 win over Leigh was the worst defeat the Longhorns suffered all year, a 31 point deficit.

Following the Shaughnessy Playoffs at San Jose Civic Auditorium, the Jets paraticipated in the Northern California Gridley Invitational to wrap up their 17-8 season.

...the Sixties

No team displayed more power in one sport than did the Sunnyvale Jets in basketball competition during the decade of the Sixties.

For that matter, success came prior to that date. In Sunnyvale's first year of existence, 1956, its Cee basketball team was already making the headlines. Dropping their opening game, Tony Nunes' Jets rebounded with 16 straight wins for undisputed possession of first place.

Flexing its strength, Sunnyvale's basketball program really took hold in 1957. The Cees extended their consecutive game winning streak to thirty. The smaller Dees, not to be outdone, soared to a 12-2 mark. It was only natural when the Junior Varsity squad finished 18-4, tasting the sweetness of victory in a rapidly-building rivalry as they dumped arch-rival Fremont, 46-33.

On the verge of a new decade, the Cees remained unchallenged kings as they swept to 42 straight wins. The young, yet powerful Junior Varsity squad made it a near perfect championship, rolling to a 19-1 record. The Varsity Jets, only a year away from stardom, made their presence known; it was their turn to beat Fremont, and they humiliated the Tribe, 40-15. So set the stage for the Sixties...

1960. The Varsity Jets, consisting of many veterans from the championship JV teams of '58 and '59, were nevertheless sparked by a sophomore sensation named Eric Paulson, and the result was the ultimate: SCVAL Champions, at last. Followed in the fall by another first place Cee Team, the Jets did not attain their full potential until 1962, the year of the jackpot. During the fall the Dee team made first place, The Cees' first place, The J.V. squad first place, and the Varsity first place.

Sunnyvale had four basketball teams in 1961-'62, and the Jets were champions in all four divisions. The overpowering Varsity unit, led by Sunnyvale's greatest-ever athlete, Eric Paulson, thundered to a 19-4 season record. In the process they were acclaimed SCVAL League Champions, Central Coast Section Champions, and Northern California's sixth rated team.

Paulson enjoyed the greatest basketball career of any player in the SCVAL. He broke 18 school records, among them the highest point total in one game, 43, and most rebounds in one game, 23. He is Sunnyvale's highest season scorer ever, 21.3 points per game. He was chosen to the following teams: All-SCVAL, All North County, All Mid-Peninsula, All

Central Coast, All North Coast, All Northern California, All Western Section (8 Western States) and All-American. Also consider this: he was named Most Valuable Player on every one of these teams, excluding the All-Sectional and American squads.

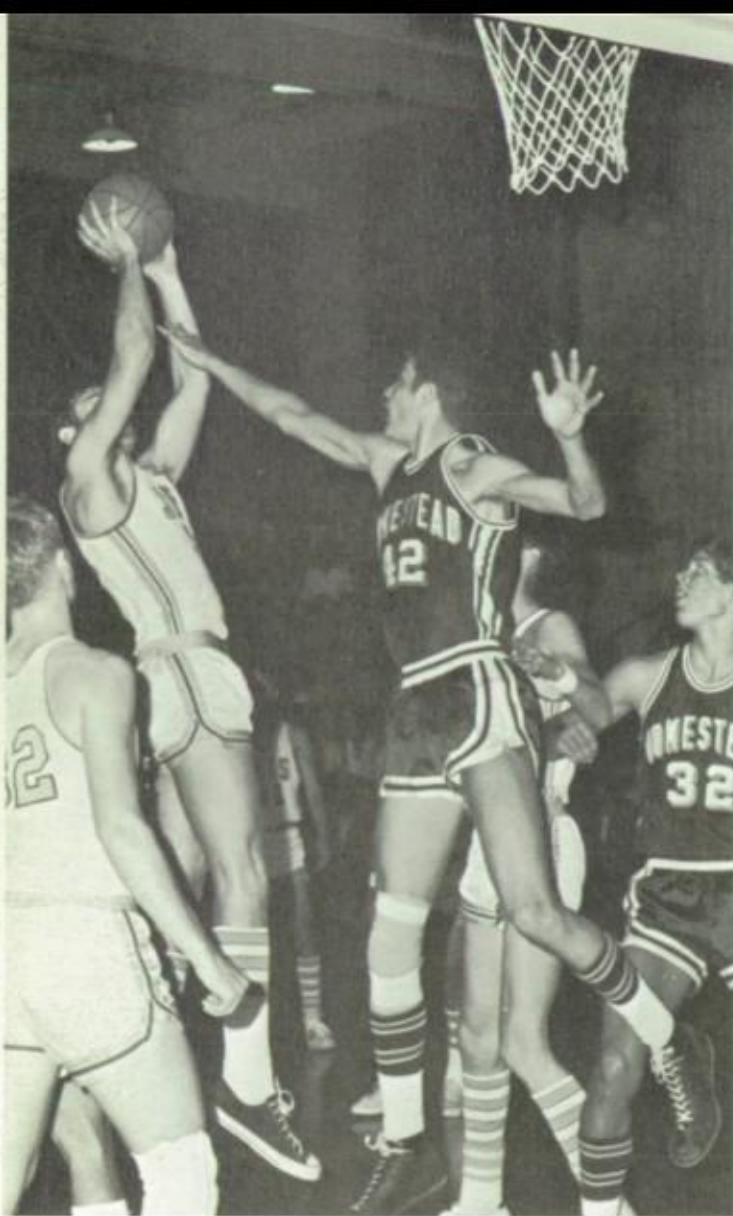

The 1963 and '64 seasons were "in between" years for Sunnyvale. The Varsity (18-8 overall) made it three titles in four years, following with a superb 16-7 record after that, but it wasn't until 1965 that lightning struck for the second time.

Similar to '62, the Jets again had four teams. And nearly like '62, the Jets had three league champions: the Dees, Cees and Varsity. And just like '62, the Jets had another Paulson. This time it was Keith, younger brother of Eric. Built around Keith's sharpshooting, Sunnyvale Coach Tony Nunes possessed the finest team in Jet history. Fighting a nip and tuck battle with Fremont for the league crown, the Jets met the Tribe in our gym in the season finale and buried the Indians to claim a fourth title in six years.

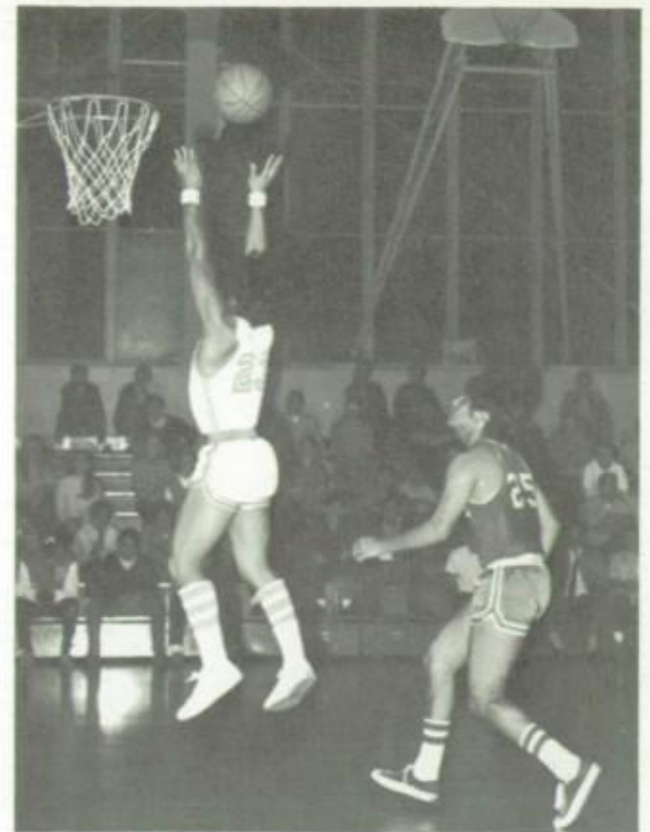

Their 21-4 overall record still stands as the best in school history. In addition to the league championship, the Jets were rated number one on the Central Coast and number five in Northern California. For the grand finale the Jets were also champions of their own Holiday Tourney, the largest of its kind in Northern California.

1965 culminated a half-dozen years of success for Coach Tony Nunes as he led Sunnyvale to four league titles. During that period the worst record on basis of wins for a Nunes team was 1964, 16 wins. One year later, 1965, marked yet another milestone in his coaching career. The lightweight Cee team finished as undefeated league champions for the sixth straight year and for the ninth time in ten years. The only year the Cees did not win the title was 1959, and that season they finished in second, one game out of first. At one time the Cees owned a 60 game winning streak, a skein never challenged in the SCVAL, before or since, and at the end of the '66 season they possessed a ten-year record of 124 wins and only six losses.

1967 began an era of complete revampment in Sunnyvale's basketball program. Taking over coaching reins from Tony Nunes, who moved up to the college ranks, was none other than the finest Jet of all-Eric Paulson. Quite an end to quite a decade.

Tim Chapman gets off a jumper over the outstretched arm of Homestead's 6'7" John Saich.

Dazzling Gary Alcares releases the ball as a defender arrives too late. Gary's ball-handling routines thrilled the crowd many times during the year.

Sunnyvale tells the rest of the league it means business after beating Wilcox, 60-49, for its third straight league victory. The Jets didn't lose until their 8th game, and even then it took a Central Coast Champion Buchser rally in the final minutes of the 4th quarter to pull out the win.

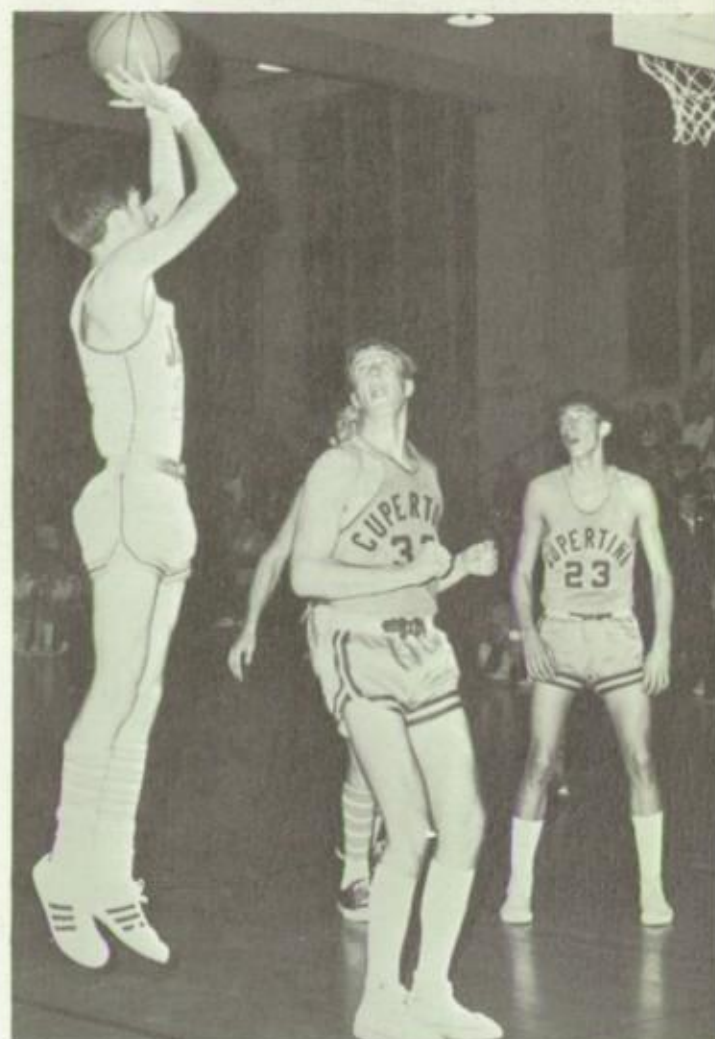

Ken Caviezel, a deadly outside threat, shoots the ball in his typical high arc.

Rod Merrill fights underneath for possession of the ball. Rod's 5 pressure free throws in the final seconds proved to be the margin of victory in a 61-55 win over Homestead.

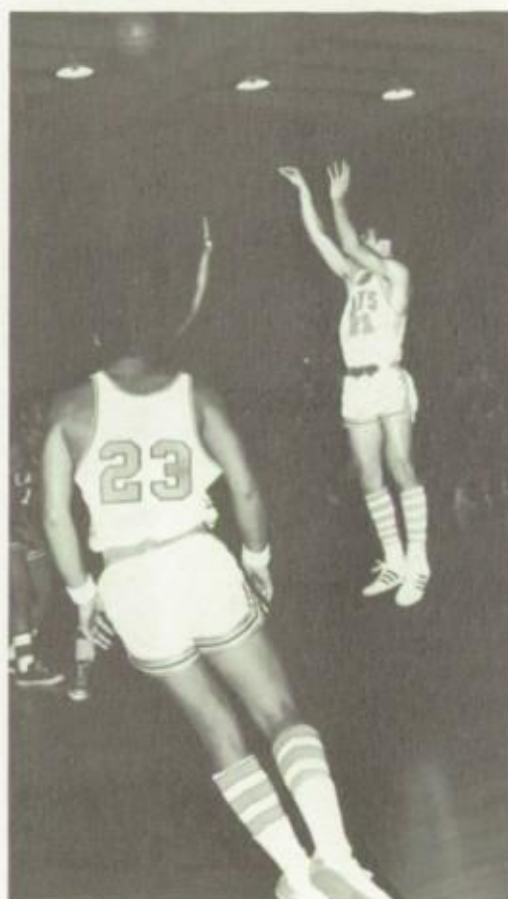

Tim Chapman drives between two helpless defenders. Coming alive midway through the year, Tim scored 70 points during a four game span.

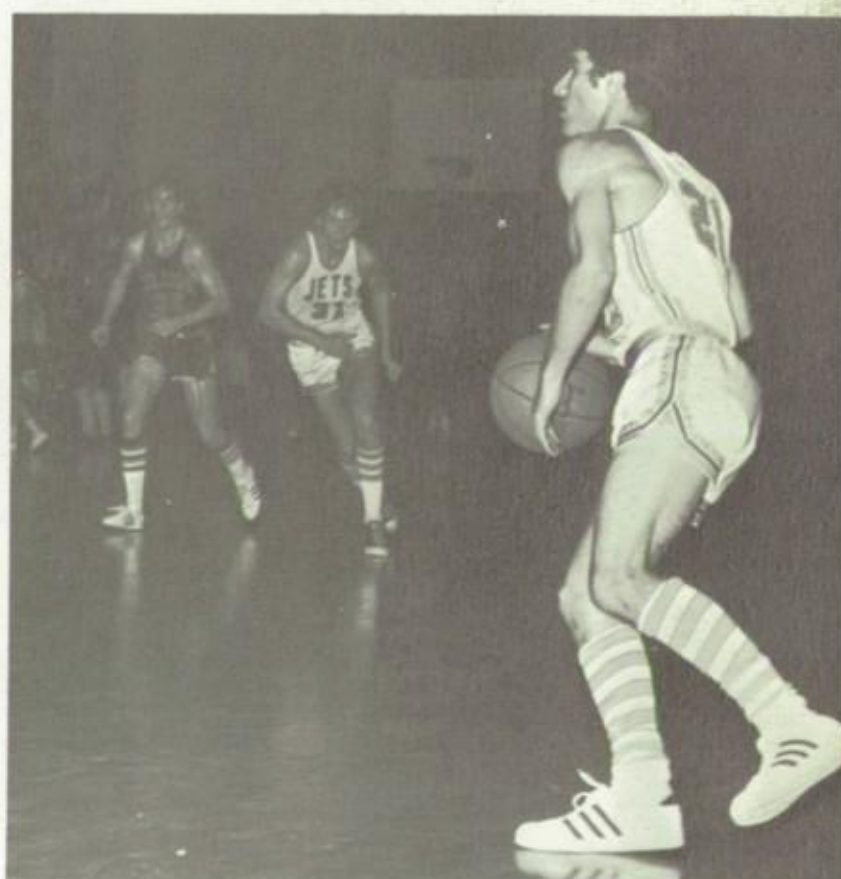

Terry Royal is unchallenged as he aims a soft jumper. In his first varsity league game, Royal poured in 19 points against Lynbrook.

One of the Jets' outstanding two year veterans, Keith Mathews heads for the bench for the last time, as Sunnyvale dumped Mt. View, 74-40.

Dave Blasquez, the SCVAL's 2nd leading scorer, averaging nearly 20 points per game, buries a 25-footer.

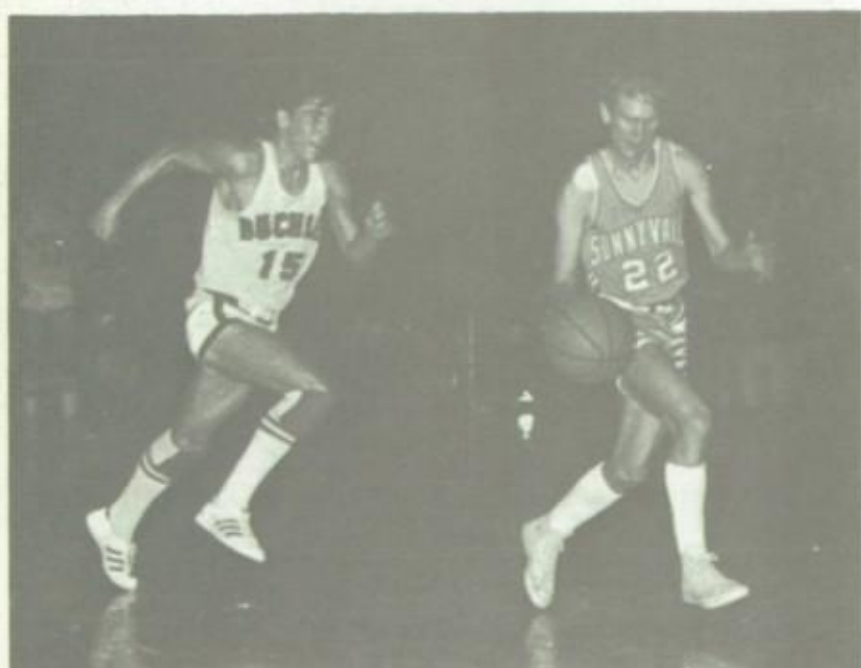

"Two-one" sets up a play

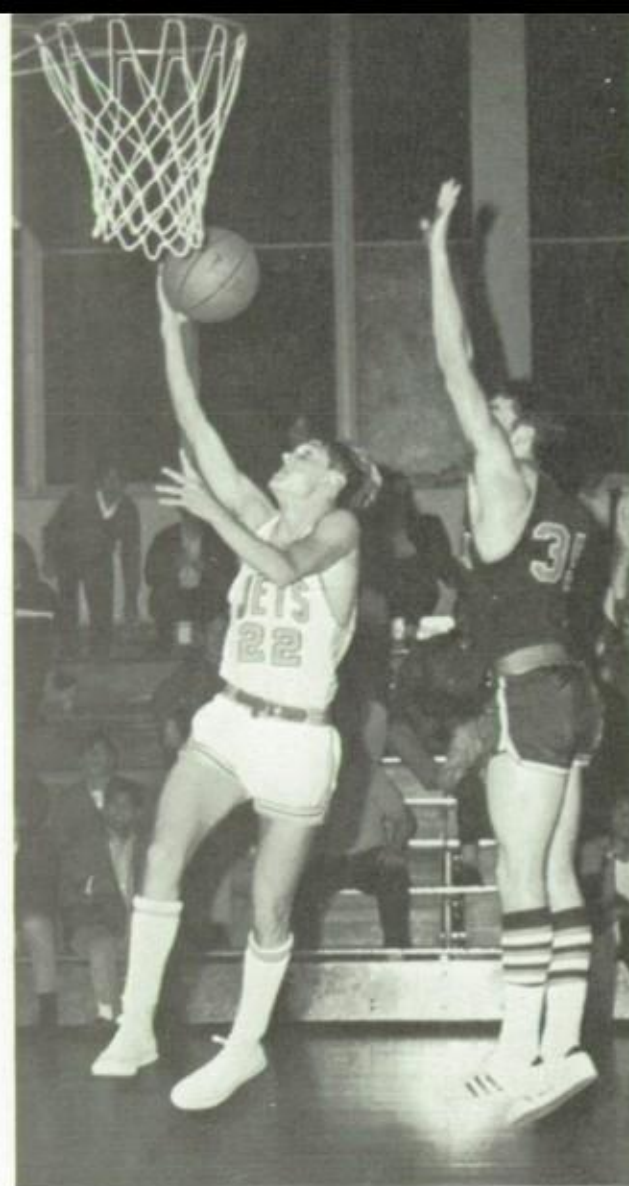

Forward Terry Royal displays his ball handling against Cupertino, as the Jets thumped the Pioneers 68-61.

Even double-teaming Dave Blasquez couldn't stop the Jets' guard. Dave registered a career-high 32 points against Santa Clara, with 15 in the 2nd quarter.

Ken Caviezel steals the ball from a frustrated Buchser opponent. On the road Ken pumped in 11 vs Awalt, and 17 against Peterson, both in winning efforts.

Ken Caviezel scores a typical Sunnyvale basket; an easy lay-in for two points, off the Jets' blazing fast break.

Who says you have to be on the court to get into the action?

Terry Royal lets fly with a 15-footer as Bob Paynovich moves in under the board.

Rod Merrill muscles one up from underneath. Tod's improving play resulted in his fine season-ending performances, as he scored 14 vs Mt. View and 15 vs Santa Clara.

Tim Chapman soars above Fremont. Tim personally destroyed the Tribe as he scored 19 points and pulled down 15 rebounds in the Jets' conquest of the Indians, 58-46.

"Pineapple" lays in an easy two in Sunnyvale's overtime win vs San Carlos, during the Holiday Tourney.

An unorthodox move still nets two points for Blasquez.

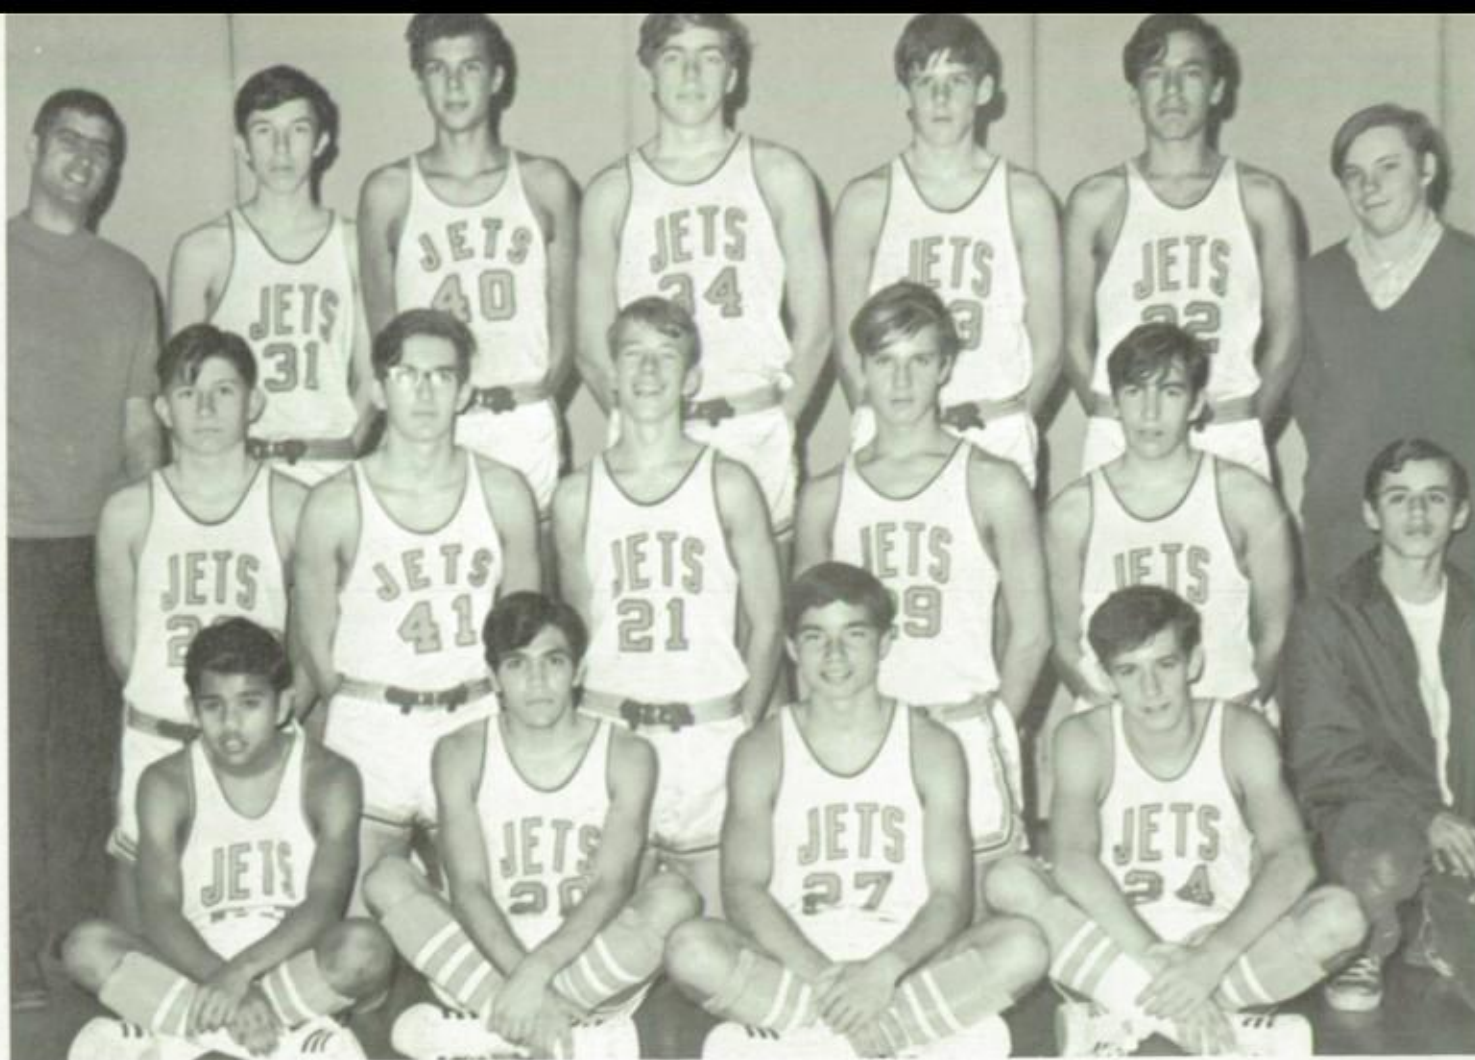

An off-balance, yet poised Dave Blasquez forces one up against Fremont. On this play Dave sunk the shot and was also fouled in the process.

Coach Paulson sets his strategy with the squad during a timeout.

Junior Varsity

Only in its second year of existence, Sunnyvale's varsity soccer team rose from last place midway through the season to finish as co-champions in the SCVAL. Putting together a tough defense, the Jets were led by goalie Pancho Guiterrez, who allowed a mere .8 goals to be scored against him. Offensively, a potent attack was spearheaded by the team's most valuable player, Cornelio Perez. Cornelio was the league's leading scorer and an All-League selection. Also named to the varsity All-League team were Carlos Braga, Al Perez, and Javier Perez. The junior varsity finished a strong second in league play; All-League players were Tom Reis, Lupe Alcantar, Mike Garrett and Greg Stump.

Robert Riviera applies pressure to his Buchser opponent. Robert was Sunnyvale's only undefeated wrestler during the SCVAL season. Competing at the 106 lb. level, Robert's individual honors included 2nd place at the highly-regarded Westmont Tournament and 2nd place at SCVAL finals. Along with Peter Araujo, in the 130 lb. class, Robert's performance at the Region I Meet in San Francisco qualified him for the Northern California Finals at Foothill College.

GAA

The purpose of GAA is to promote the opportunity for participation in sports, good sportsmanship, good fellowship and an interest in athletics among the girls of Sunnyvale High School.

To be a member of GAA a girl must have a student body card, and pay fifty cents dues each year. An active member must participate and receive points in at least one sport each semester.

A girl can receive 75 points for participation in each sport throughout the school year. One hundred points shall be given to all officers and sports managers will be given 50 points each.

The awards that can be earned are: a GAA pin for 200 points, a Block S for 600 points, a numeral for 1000 points, and a star for 1500 and 2000 points. Individual gold awards will be given to the outstanding and most improved member in each sport.

The 1970 season was a year of successful transition for Coach Chuck Camuso's Varsity Jets. Combining a cast of both veterans and youthful players into his lineup, Coach Camuso blended his team into one of the SCVAL's finest. Slick-fielding Gary Alcares, an All-League selection as only a junior, led an array of experienced ballplayers which included third-year man John Maselli, and infielders Larry Kimberlin and Dave Ackard. But the team's biggest strength was the battery of pitcher Charlie Trujillo and catcher Roger Mendoza. In his first varsity game, as only a sophomore, Charlie threw eight innings of no-hit ball, displaying the masterful talent that he possesses.

The winningest sport at Sunnyvale High! Such a statement sums up the success of track and field on the Jet oval during the Sixties. The ingredients of both excellent athletes and superb coaching resulted in 296 wins for the Sunnyvale Jets since their beginning in 1956.

Sunnyvale strength in all track divisions is characteristic of the Sixties. For instance, the Cee squads of 1962, '63, '64, '65, and '67 were all undefeated. The Dee teams of 1962, '64, '66, and '67 also enjoyed unbeaten records. The Jet Cee track team owned a 40-meet winning streak between 1961 and '67 before being replaced by frosh competition in 1968. Likewise, the Jet Dees owned an unbeaten string that stretched from 1963 to '67 before they, too, were replaced by frosh competition. During the same period the larger Bee team rolled up consecutive victories that numbered "only" the years 1963, '64, and '65.

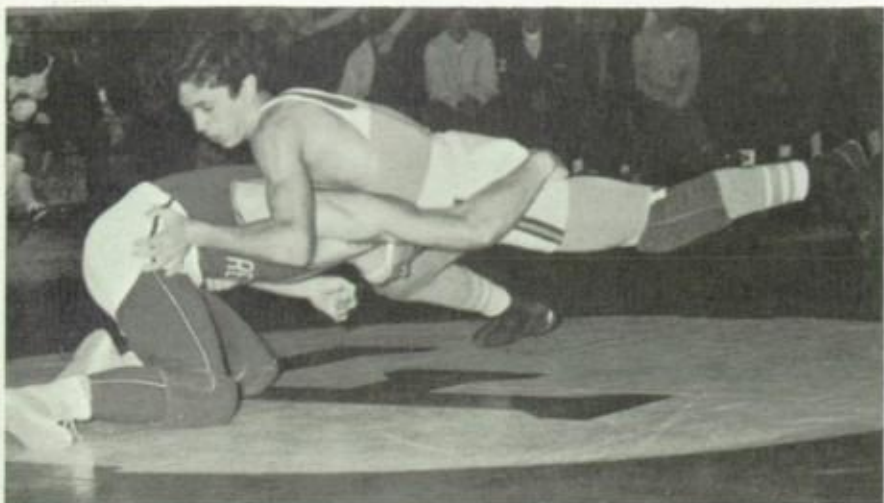

Yet it was at the varsity level that the most excitement was generated in the Sixties. During that span when Sunnyvale lightweight teams were enjoying their unbeaten skeins, the Varsity Jets were also powering to their finest season in school history, 1964.

Sparked by speedy John "The Jet" Figueroa, Sunnyvale swept to the championships of Division II, Northern California, and the Andrew Hill Invitational. Jet track teams piles up eleven new school records, surpassed only by the 1966 squads which broke 16 during their season. Figueroa, the team captain, was also the Varsity's Most Valuable Trackman, an award he also won in 1963 and 1961 as a Bee. John was a deserving recipient. During his career he owned six school records, including the Varsity 100 yard dash, in which he was clocked at

a blazing 9.6 seconds, a mark that has gone unchallenged for six years. He also owns an amazing 21.0 in the 220. During 1964 six varsity records were broken. John broke four of the six.

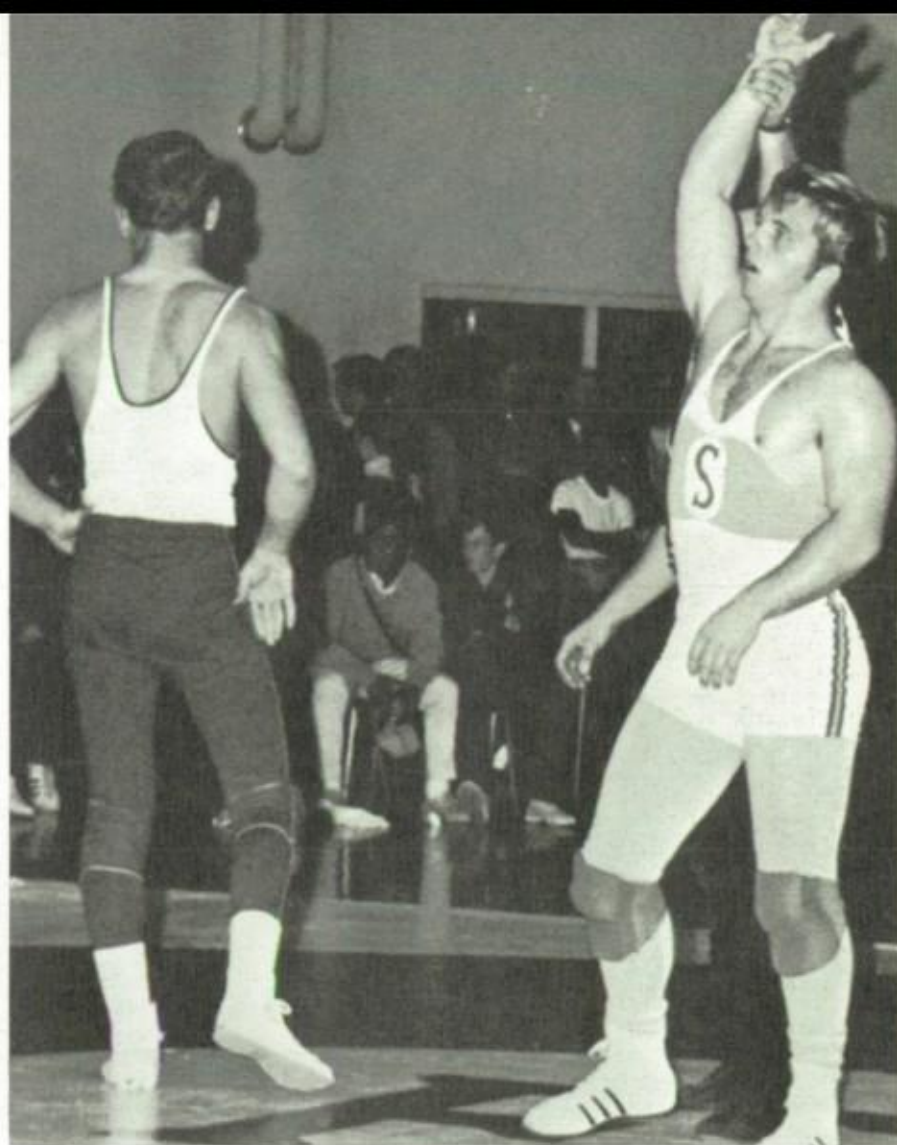

Sunnyvale has been blessed with other individual champions as well. In 1968 leaping Charlie Steffes soared his way to two school records in the long and triple jumps. His mastery in the triple jump gave him first place in the Region II meet, first in the Central Coast Section where he measured an astounding 48'4", and first in the 1968 California State Triple Jump at Berkeley. For an encore, Charlie compiled seventh place in the state long jump. Such super efforts brought Steffes the greatest award of all, his selection to the All-American High School Track and Field team. Yet for all of his accomplishments, Steffes is only number two in total season points scored by a Sunnyvale Jet.

Number one was, and is, Benny Brown. Possibly the greatest trackman in school history, by the time Benny was a sophomore he owned or shared ten school records. As a sophomore Benny was clocked as the third fastest quartermiler in the nation. In 1968, still as only a sophomore, Benny was winner of the 440 at the Region II meet, the Central Coast Section Finals, and in a highly controversial finish, ninth at the California State meet in Los Angeles. His performance at the CCS Finals earned him the "Outstanding Meet Performer" award, followed a week later by "Prep Athlete of the Week," given by the Santa Clara County Sportswriters and Broadcaster. Brown also holds the distinction of anchoring four record-setting school relay teams, while owning the Varsity 440 mark with a microscopic 48.8 clocking as of 1969.

Felix Carter wards off a futile counter move by his Fremont opponent.

Junior Varsity

Dennis Swanson is declared the winner after destroying his Fremont adversary. Dennis, voted Most Valuable Wrestler by his teammates, lost only one league match and placed 2nd at SCVAL finals at the 191 lb. level. He joined Bruce Victorine, Robert Riviera, and Peter Araujo in competition at the Region I Meet.

Basketball

"A" team Basketball captured a second straight SCVAL Northern Division title by posting an 8-0 record with an offense that was able to score 48.6 points per game while holding the opposition to only 16.

The GAL championship game against Leland, however, was a disappointment. Poor ball handling and missed free throws were our team's downfall. But next year's squad should have another chance for the GAL title because five of eight "A" team members are returning with desire and ability to win. With the probability of some well-skilled "B" team players moving up, the outlook for another championship is good.

New rules may have had a hand in the results of our basketball season since this year was one of the best yet in league play. Teamwork was also stressed. Individual skills of each girl improved as confidence in the team to work as a unit grew. Although the rule change was in the trial stage, it probably will stay since it provides girls with the opportunity to play basketball as it was meant to be played.

Previously each team had six players on the court. There were two stationary guards, two stationary forwards, and two roving players who played the entire court. The rules were changed to five players, all playing the full court, allowing more girls to show their abilities on offense and defense. On the six man team usually one skill was shown, and sometimes if the offense was unusually strong, the guards just stood and did not participate.

The "B" team was also undefeated with a 7-0 record. The offense scored 25.1 points per game to their opponents' average of only 9.4. Our "C" team lost only one game this year while winning two.

Sabre Sponsors

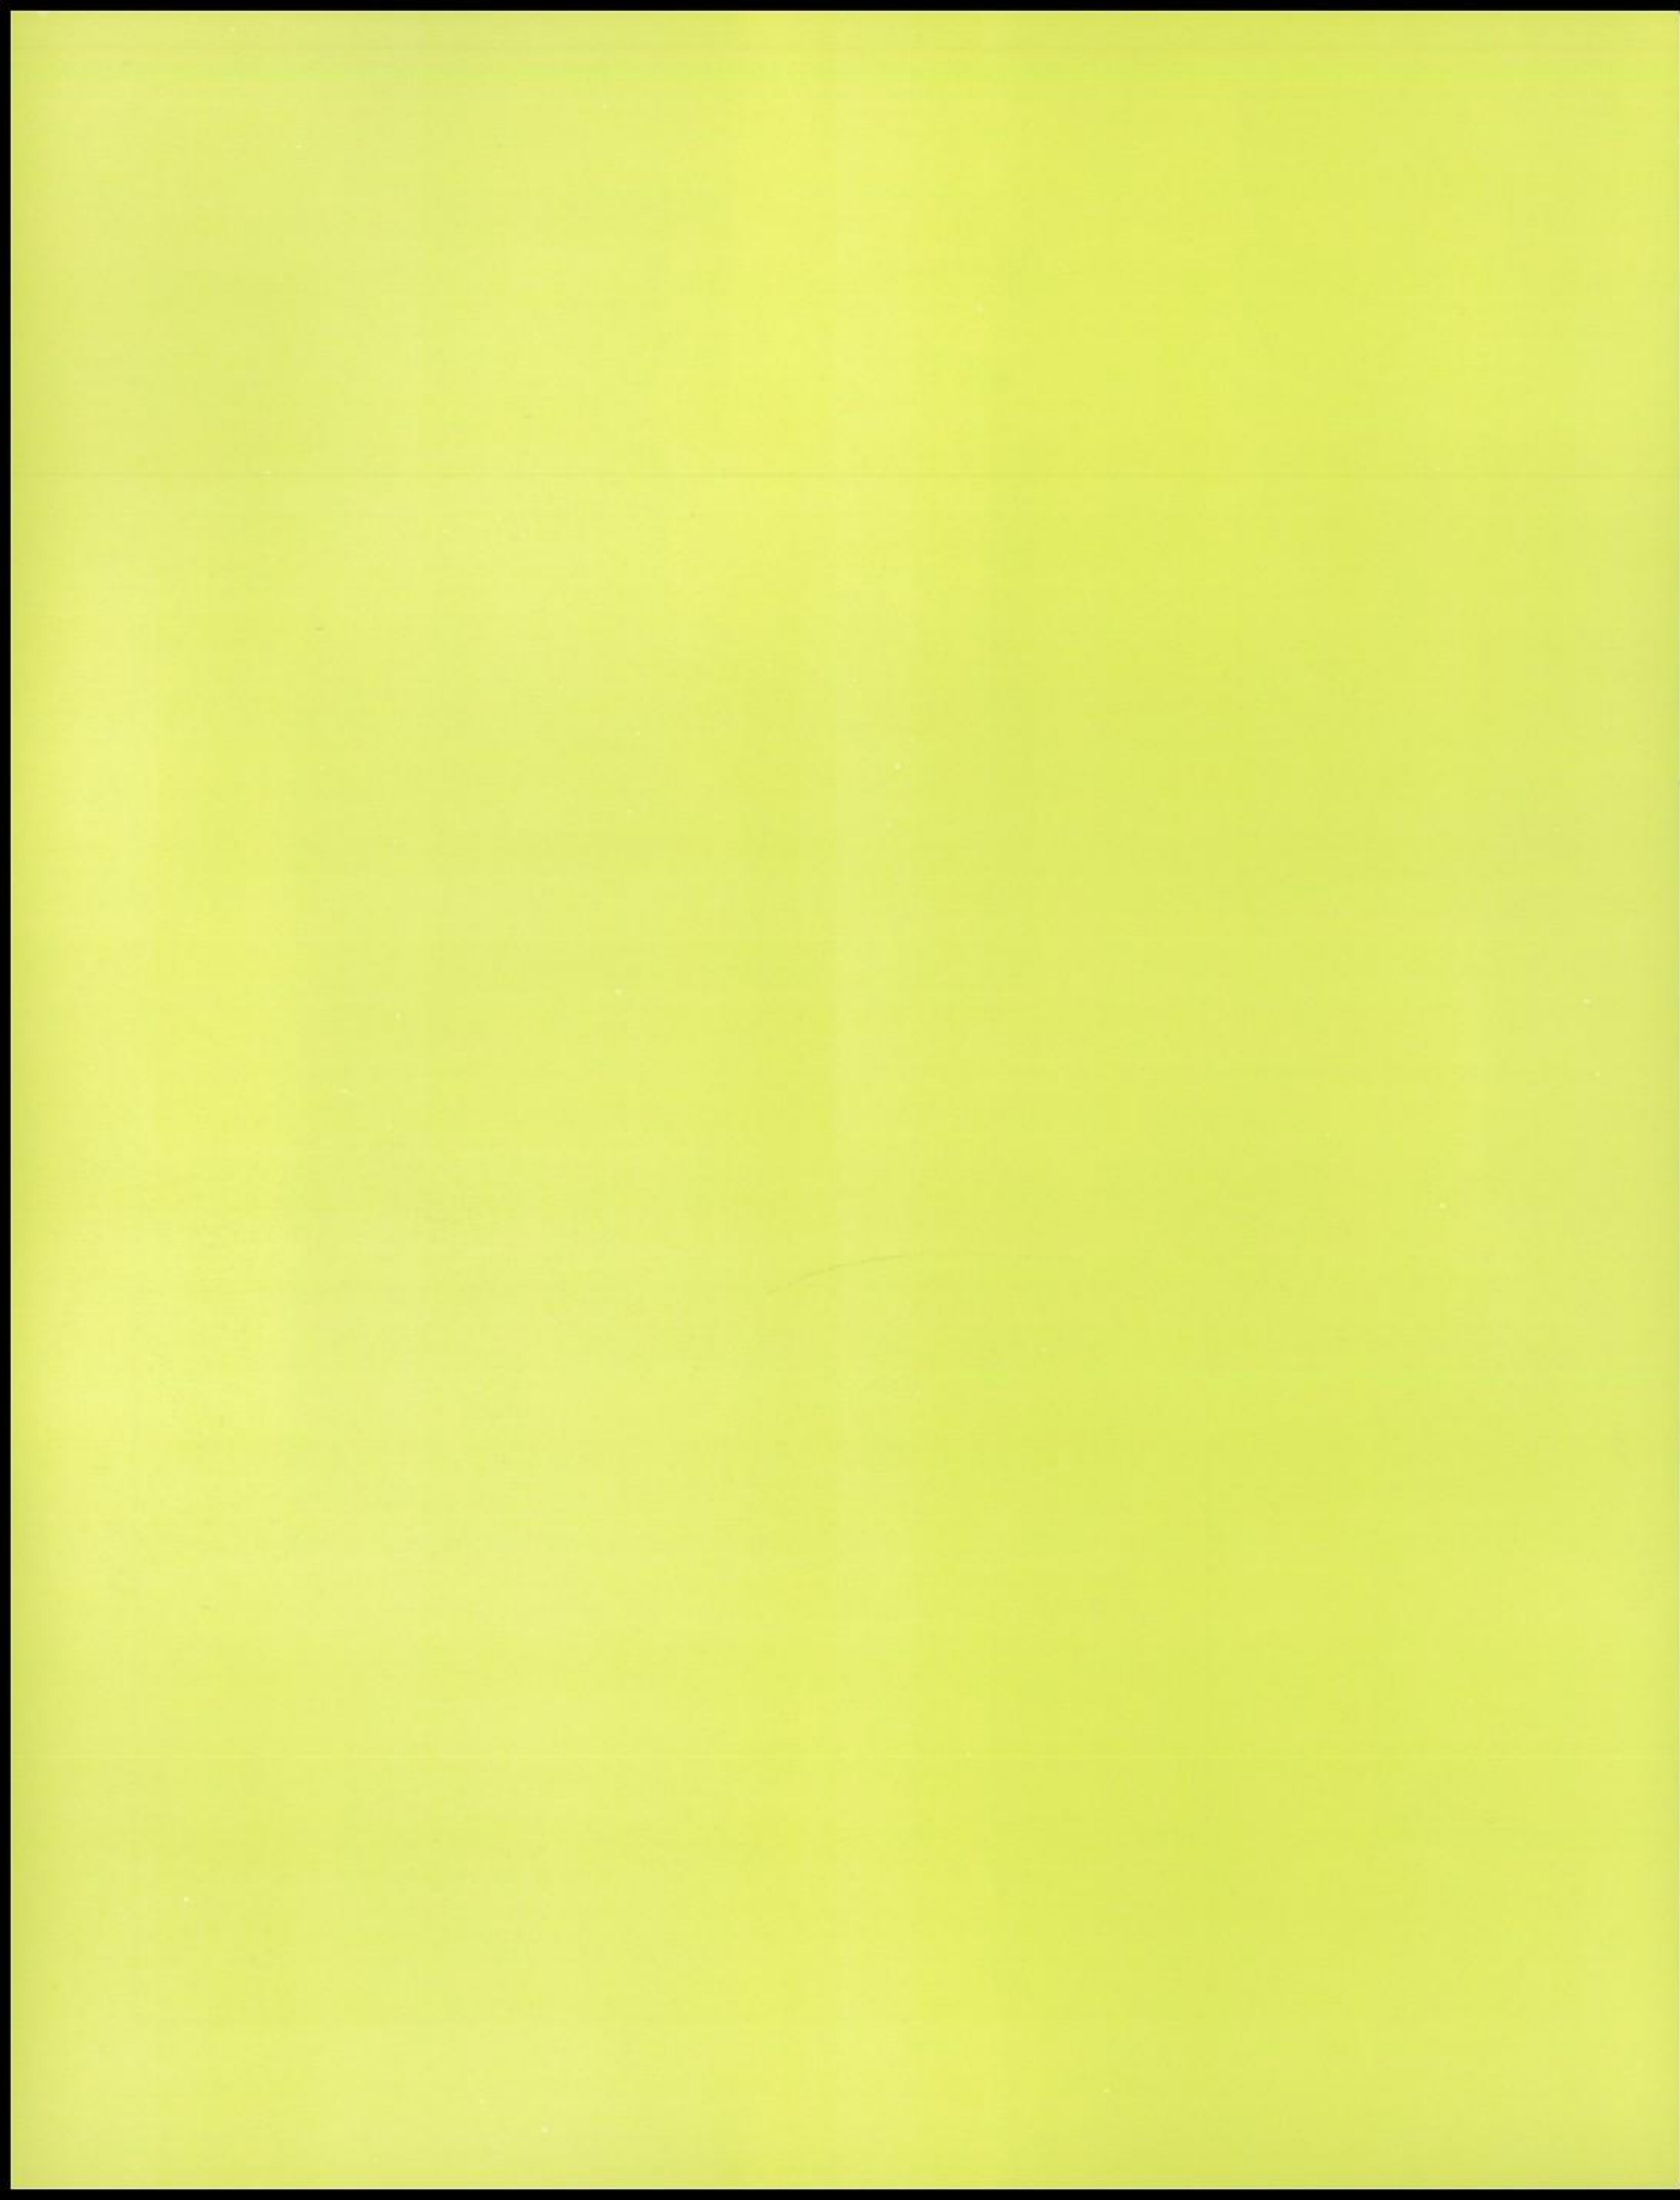

Being a part of a working unit within the Sabre Staff and responsible for advertising sales is a rewarding experience, even moreso when our efforts are enjoyable to others as well as ourselves.

Without the aid of our advertisers and sponsors this book could not have been possible, and we would not have been able to be a part of the year-book staff. Therefore, the students of Sunnyvale High School would like to express their sincere thanks and gratitude to all of our advertisers.

To show our appreciation, we hope that you, our readers, will support them as they have supported us.

Although a graduation class and a yearbook denote a conclusion, there is no beginning or ending to learning. The close of the 1969-70 school year provides only a moment of rest before you plunge again into newer challenges and unknown opportunities that make life the bold adventure it can be. As you live in the present, also live for the future so that you are working to become the kind of person you want to become. Let the educational resources of your school help you to reach your self-directed destiny. Maintain your lust for learning, keep a sense of humor; and remember that if man is really good, he must feel that it is basically good to be a man.

Mr. Robert Bargman Principal

Congratulations to the Seniors for having completed the high school course and to all others who have successfully completed another year leading toward high school graduation.

We, the students and faculty, have been a group assembled this year for the purpose of learning. Our activities were directed towards one ultimate goal: the growth of wisdom. Wisdom, of course, means more than knowledge; it involves the capacity to make use of knowledge as well.

Both as individuals and as a school, we have earned honors this year for which we may all be proud. But flares of such honor are so temporary. For that reason we should consider most important those changes and developments that are lasting; the developments into greater personality and more usefully citizenship.

My wish for you is that time will record many such developments during your lifetime.

The Senior contributions in academics, in music, in speech and dramatics, and in athletics have made a lasting impression at Sunnyvale. To these seniors we give a sincere "Well done," and we hope that success achieved at Sunnyvale will continue to follow to higher places of achievement.

Acknowledgements

Mr. Lane and J. R. Myers

As editor, I would like to thank the special person who deserves the most credit for the tremendous job of advising the Sabre staff. The past two years I have worked with Mr. Robert Lane and he has learned to understand my moods and wild ideas. He has helped the staff when we had no place to turn. He was the one who would do the pushing to get pictures taken. If it wasn't for Mr. Lane we would not have the high quality yearbooks Sunnyvale High publishes. The Sabre has been known to be the leader in trying new and different ideas in Santa Clara Valley. This is mainly because of Mr. Lane's great sense of originality. I know the whole staff feels the way I do about our great advisor, and want him to

know how much we appreciate him. Thank you, Mr. Lane.

I would also like to thank Mr. Bennion and Camera Mart for being fast and very efficient in taking and processing the Sabre's pictures.

Not too many know Mr. J. R. Myers, who is our representative to the American Yearbook Company. He is an outstanding man who interprets our crazy instructions to his company and does a great job of it. Thanks J. R.

Last, but not least, I would like to thank my staff. They are hard workers and without them I could not have put this yearbook together. A special thanks goes to Inez Carrillo who gave me many good ideas. And a very special thank you to Dennis Swanson for being patient and kind to me when the going was rough.

All this to say that it was not the editor who really does the work and deserves all the credit, but it is the advisor and all the staff members. I hope the next editor has all the fun and problems I did as your 1970 Sabre editor.
